Reaves, Bryants Plan Reunions

BY BARBARA T. HEWETT

Descendants of the late Major Daniel Reaves will celebrate their 17th annual family reunion on Saturday, July 4, at 2 p.m. at St. John Missionary Baptist Church.

Friends of the family are invited.

Descendants of the late Jack Bryant and Holland Lancaster will hold their annual family reunion at the home of Annie R. Bryant, also on Saturday, July 4.

The family's history dates back at least to May 1866, when upon emancipation the couple received a "certificate of cohabitation" from Brunswick County. Under the direction of Bertha Bell, a family tree booklet has been compiled.

They recently helped celebrate the 80th birthday of Johnnie's mother, Lena Reaves of Bolivia.

Accompanying them from Washington, D.C., were Annie R. Simon and Mattie Pearl Lucas and her husband Hubert.

Friends and relatives of Mrs. Reaves went to Long Beach on Saturday and gave her a surprise party at one of the restaurants there.

Legislators Honor Mintz

A joint resolution to honor the late Harry Luther Mintz Jr. of Hallsboro was introduced to the N.C. General Assembly Monday.

Sponsored by Rep. David Redwine of Brunswick County and Rep. Richard Wright of Columbus County, the resolution is in memory of Mintz, who was a probation officer for Columbus, Brunswick and Bladen counties for a number of years (1956-74) prior to his illness and death in 1987.

Mintz also left a long record of public service, including a period as Brunswick County Register of Deeds and a term in the N.C. House of Representatives.

He was the husband of Mrs. Mary Wyche Mintz, who was a school teacher for 38 years. Since her retirement, she has taught English at Southeastern Community College in Whiteville.

Mrs. Mintz and members of her family planned to visit the legislature

Monday as the resolution was being introduced.

Mintz is survived by two sons, Graham Wyche Mintz and Henry Luther Mintz, and a daughter, Mary McBryde Mintz.

He was a native of Brunswick County, spent four years in the Air Force during WWII and was afterward a businessman in Supply and Shallotte.

Mintz served in the House in 1951, where he sponsored legislation to protect wildlife and the commercial fishing industry.

The Ultimate Loss
BY GREG WHITE
BRUNSWICK FUNERAL SERVICE

Our awareness of death is almost always in the context of an older generation—our grandparents, parents, aunts, uncles. We are unprepared for the death of a contemporary, especially a wife or husband, the sole person to whom we are related not by biological caprice, but by conscious choice. Trauma from the death of a spouse is rivaled only by that of a child.

Though we are never prepared for life's most heart-rendering finality, by thoughtful pre-planning we can provide helpful assistance to our survivors. Pre-planning is an act of love.
