Mixed Pups Need Homes

Four mixed puppies are among the animals available for adoption this week at the Brunswick County Animal Shelter.

The two male and two female pups between six and eight weeks old are a mix of collie, German shepherd and husky. Three are black and brown, while one female is all white.

Also available at the shelter, located off N.C. 211 south of Supply, is a one-year-old male terrier/Ger-

man shepherd mix. This black and white dog goes by the name of Tippy.

An adult black and brown tabby striped cat is also in need of a good home, according to Animal Control Supervisor Zelma Babson. The medium-haired cat has a white chest and mouth and is described as very friendly.

These pets and others can be seen at the shelter Monday through Friday from 8 a.m. to 4:30 p.m.
