the HARBORAGE

The Harborage...a private waterfront villa community with a special difference. Located directly on the Intracoastal Waterway, private boat ramp and dockage make it the best of luxury villa living and a marina community as well, with private club house and pool.

A low-density, four-unit per building concept provides that rare, "private home" feeling for each villa. Every room has a great view and delightful flow-through ventilation to catch the sea breeze.

The 2 or 3 bedroom villas are total electric and feature large decks, dining rooms and charming fireplaces. The 1,900 square foot 3 bedroom, 3 bath villas feature whirlpool tubs in a spacious, skylit master suite.
