Labs Help Adults Prepare To Take High School Exam

Two computer labs are available at Brunswick Community College with programs to help prepare adults to take the state's GED exam.

When a student receives a passing score on the General Educational Development exam, he or she is

awarded the equivalent of a high school diploma.

The ABE/GED labs are located at both BCC's Continuing Education campus at the N.C. 211-U.S. 17 crossroads at Supply and at the Southport campus on North Lord Street, according to spokesman Anne

Marie Schettini. They are open Mondays through Thursdays from 9 a.m. to noon and again from 6 p.m. to 9 p.m.

Pre-testing for the GED exam is available on a walk-in basis; the pre-test indicates areas the student needs

to study before taking the GED.

The lab offers programs to help any adult, from the non-reader to high school level.

More information is available at either lab or by calling the college at 754-6900 or 457-6329.

THE HOWS OF SAVING WATTS.

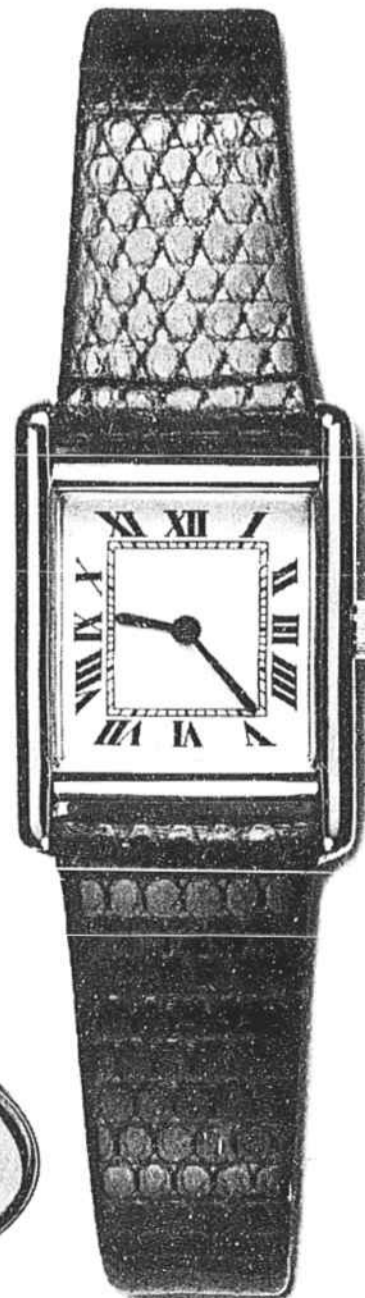

Get a 5% energy discount if your home meets CP&L criteria for energy efficiency

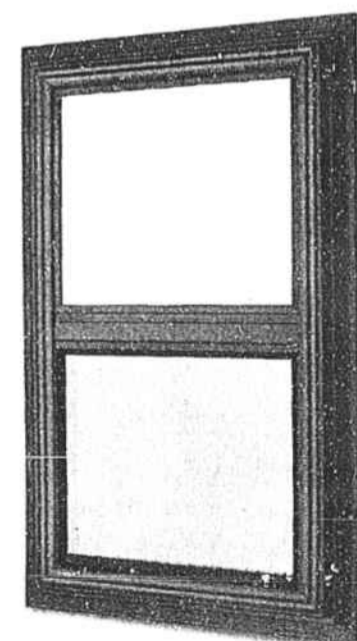

Houses built to CP&L energy efficiency guidelines use up to 40% less energy on heating and cooling

Save up to \$64 a year by allowing CP&L the option of interrupting service to your water heater and central air conditioner during peak load periods

Enjoy lower rates by shifting the use of major appliances to off peak periods (You have to sign up for this savings)

We offer home energy improvement loans of up to \$500 at only 6% interest. Payable on your bill

Carolina Power & Light puts a lot of its energy into programs that can help you hold down your electric bill. (These are just a few.)

We even have one that'll save you from any surprises—our Equal Payment Program. With it, you know what your bill will be—and it will be the same every month.

So call us for information about how to save watts. You already know why.

CP&L
 Electricity Isn't Where Our Energy Stops

\$2.00 OFF

Save this coupon for \$2 off your next purchase. Minimum purchase \$15.
