The First Duty Of Love Is To Listen

BY CONNIE POWELL
 BRUNSWICK FUNERAL SERVICE

Theologian Paul Tillich's statement, "The first duty of love is to listen," is a guiding credo of those who seek to help the bereaved. The ability to not only hear words, but also the subtle shading of the voice often tells more than the words do.

By encouraging the bereaved to talk about their loss and by careful listening, we can best respond with empathy.
