## Youth Soccer Grows In Brunswick

Now in only its second season, the Brunswick County Youth Soccer League has grown to eight teams in two different age divisions.

The league began with two teams in 1986 and this season includes three junior teams and one senior squad in both Shallotte and Southport. Presently some 100 county youths

participate in the league.

Co-ed play on both levels involves ages 5-8 and 9-14. League play began in early October and concludes Saturday with a season-ending picnic at noon at Smithville Park in Southport.

The league is sponsored by the Brunswick County Parks and Recreation Department.
