## THE CAR REPAIR GUARANTEE THAT LASTS A

The problem with most car repair guarantees is that eventually they expire. After 3,000 miles, 10,000 miles, 20,000 miles ...they run out.

But our guarantee is different. It's called the Lifetime Service Guarantee, and it guarantees your repair for as long as you own your Ford, Lincoln or Mercury vehicle. That means you pay once for a covered repair. Never again. If the part or repair ever fails or wears out, we'll fix it free. Free parts. Free labor.

Our Lifetime Service Guarantee covers thousands of parts

and repairs. And, if you're ever

honored by thousands of other

Ford and Lincoln-Mercury deal-

more than 50 miles away, it's

copy of our free Lifetime Service Guarantee—the best car repair guarantee in America.

So for a repair guaranteed to last a lifetime, ask us for a
