Santa and Me. together again

Dear Friend:

It's been almost a year since you last visited me at the Briarcliffe Mall. Things are really busy here at the North Pole. The elves are working in the toy shop making lots of special toys and gifts for good boys and girls.

I do hope that you will come to see me again at Briarcliffe Mall during the Holiday season.

Love from,

Santa

FREE BRASS PHOTO FRAME WITH \$35 PURCHASE.

It's better to give than receive. Unless of course you can do both. Which is what we have in mind at Deck The Walls this Christmas. You'll receive a shiny brass photo frame free when you give someone \$35 in expressive art or custom framing. Stop by Deck The Walls. No one does more custom framing and no one has a more generous policy of giving and receiving. Offer ends December 15.
