

FROM SWITZERLAND WITH QUALITY.

In our age of mass production, the symbol of timekeeping integrity is a Swiss Rolex® wristwatch. Like the classic Rolex Day-Date®. Its famed Oyster® case is carved from a solid block of 18kt. gold or platinum, and houses a superbly precise, self-winding, 30-jewel chronometer movement, pressure-proof down to 330 feet. It features the matching President bracelet, and has day available in 23 languages.

Only at your Official Rolex Jeweler.
