On behalf of our Seaside Plaza branch...

Welcome to the 9th annual

## OYSTER FESTIVAL

For Convenience, Services,  
And Financial Strength,

Nobody Comes Close To NCNB.

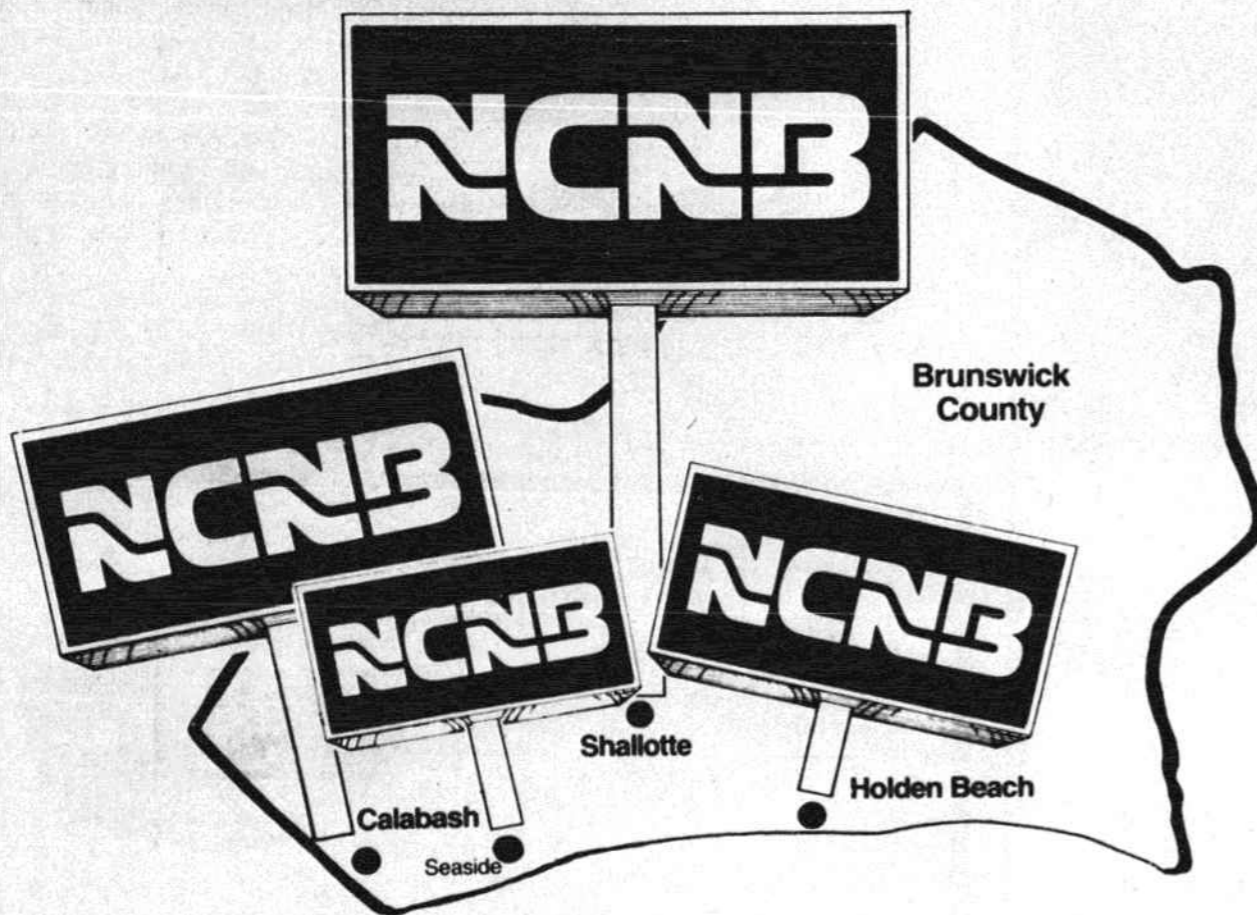

Whether you live in Ocean Isle, North Myrtle Beach, Little River, or Bolivia, the resources of the Southeast's largest banking company are right in your own backyard. NCNB now has four full-service offices, open all day, in Calabash, Holden Beach, Shallotte, and our newest branch office at Seaside Plaza.

But, we know just being nearby isn't enough. Compare our services to any other bank in Brunswick County, and you'll see how much better we can meet your changing financial needs.

We're the only bank to offer Deluxe Banking<sup>®</sup>, for example. It provides you with 10 of our most-wanted services at no charge or reduced rates. Another NCNB exclusive is Checkmate<sup>®</sup>, a plastic card that looks like a credit card, but works like a check at nearly four million places worldwide.

With a minimum deposit of just \$1,000, you can open a higher interest earning Money Market Investment Account at NCNB. Take better advantage of the equity you've built up in your home with LineOne Equity, a line of credit of up to \$100,000 and more.

Come see us soon, and we'll tell you more about how NCNB tailors services to better meet your needs and the needs of one of the fastest growing counties in the country. We think you'll agree that our convenient locations, better services and the financial strength of \$15 billion in assets make NCNB the best bank in Brunswick County.
