

DOESN'T IT MAKE SENSE

An insurance agent should be impartial. You see, your Big "I" Independent Agent doesn't work for just one insurance company. He represents several.

So he can give you an independent opinion and offer you expert advice on the best coverage at the best price. And that goes for homeowners, automobile, business, life and health insurance.

Before you make a decision about your insurance, see your Independent Insurance Agent . . . the more-than-one-company agent.
