Clarification

An article in the Nov. 9 edition of *The Brunswick Beacon* inaccurately reported that Becky Thompson Grandy, 33, of Shalotte, was formally charged with driving while impaired in a Nov. 4 traffic accident on N.C. 130 near Shalotte, based on information from the N.C. Highway Patrol.

According to court records, Ms. Gandy initially was charged with DWI by Trooper R.V. West; however, a local magistrate subsequently found that there was "no probable cause" for the charge, when the woman passed a breathalyzer test shortly after the accident.
