NOTICE OF PUBLIC HEARING

The Board of Commissioners of the Town of Ocean Isle Beach will hold a public hearing at the Town Hall located at 3 West Third Street at 9:00 a.m. on December 12, 1989, on the questions of:

1. Adoption of an Ordinance Establishing Extraterritorial Jurisdiction Boundaries.
2. Revisions to the Zoning Ordinance including the Ordinance text and the Official Zoning Map.
3. Revision to the Subdivision Ordinance to expand jurisdiction to include the Extraterritorial Area.
4. Revision to the Town Building Code to expand jurisdiction to include the Extraterritorial Area.

Adoption of items 2, 3 and 4 relating to the Zoning Ordinance, the Subdivision Ordinance, and the Building Code is contingent upon the adoption of Item 1, the Extraterritorial Ordinance.

This action is being taken pursuant to Article 19 of Chapter 160A of the General Statutes of North Carolina.

The proposed area of extraterritorial jurisdiction includes land on both sides of Highway NC 179 from and including Tarheeland Acres to Bent Tree Plantation (not included) and is described generally as follows:

Approximately 1,800 acres lying north of the town limits; bounded on the west by the western development line of Tarheeland Acres (included); bounded on the north by the northern development line of Ocean Pine Acres (included), the eastern development line of Ocean Aire Estates (not included), the southern development line of Quail Run Estates (not included), Jennys Branch and a portion of Pine Creek development at the intersection of NC 179 and State Road 1154; and bounded on the east by the western development line of Bent Tree Plantation (not included).

The map showing the exact boundaries of the proposed Extraterritorial Jurisdiction Area and a copy of the proposed revised Zoning Ordinance and copies of proposed revisions to the Building Code and Subdivision Ordinance are available for public review at the Ocean Isle Beach Town Hall, 3 West Third Street, during normal business hours.

Should the Town Commissioners adopt the extraterritorial jurisdiction ordinance, the Town would have the authority to enforce zoning, subdivision regulations, building codes and the flood damage prevention ordinance in the extraterritorial area.

Alberta Tatum, Clerk
Town of Ocean Isle Beach
