

## Trojans Fall At Quiz Bowl

The West Brunswick High School Quiz Bowl team was eliminated from state competition Saturday at the district championships in Laurinburg.

A first-round loss to Tabor City knocked West Brunswick out of the annual academic competition, said team sponsor Jim Price.

West earned the right to represent Brunswick County in the district Quiz Bowl competition by defeating teams from South Brunswick

and North Brunswick high schools in January. It was the second consecutive year that West Brunswick won the county championship.

Price said three West Brunswick team members were unable to take part in the district competition Saturday because of other commitments. He said several alternates were used.

"The good part is that they've got the experience," said Price. "Three of them are juniors, and they'll be back next year."

## Men Sought In Assault

The Brunswick County Sheriff's Department remained on the lookout Tuesday for two men suspected of assaulting an Ash area man March 11 outside the victim's residence.

Sheriff's Det. Lindsay Walton said Tuesday that arrest warrants were issued last week for Timothy Harold Price, 23, and Dean Price, approximately 28, both formerly of N.C. 130, Ash. The detective said both men face charges of assault with a deadly weapon with intent to kill, inflicting serious injury.

The two suspects moved from the area within a day after the incident and cannot be located, Walton said. He added that the sheriff's department has notified law enforcement agencies throughout both North and South Carolina to attempt to locate the men.

They are accused of assaulting Dennis Ray Lowery Jr., 21, in Town and Country Mobile Home Park on Route 1, Ash. Lowery told authorities that he arrived home from an Ash area establishment and was met in the driveway by the two men, who he said were armed with a strip of aluminum and a knife.

Lowery reported that the men accused him of causing a disturbance outside the establishment earlier that night and assaulted him, even though he denied their accusation. He suffered cuts on the forearm, chest and back that required treatment at The Brunswick Hospital, Supply. He was released from care.

## Shelter Has Pups

A variety of mixed breed puppies are available this week at the Brunswick County Animal Shelter.

Animal Control Supervisor Zelma Babson said the puppies are between five and nine weeks old and are adorable.

Also up for adoption this week is a friendly male shepherd. Ms. Babson said the blond dog is approximately one and a half years old.

These and other animals can be seen weekdays from 8 a.m. until 4:30 p.m. at the animal shelter located off N.C. 211 south of Supply.

## Control Thermostat For Ideal Climate

An upcoming workshop sponsored by Brunswick Community College and Brunswick Electric Membership Corp. focus on indoor climate control.

Workshop leader Johnny Calhoun of Honeywell Corporation will examine programmable thermostats for home heating and air conditioning, equipment and controls for en-

ergy savings and establishing "a perfect climate" in the home.

The workshop will be held Tuesday, March 27, at 6 p.m., in the air conditioning, heating and refrigeration classroom in the Vocational Building at BCC.

There is no charge and refreshments will be served. For more information, call lead instructor Winkie Mintz at BCC, 754-6900.

## Record-Keeping Is Focus Of Seminar

Personnel record-keeping requirements, particularly for small businesses, will be the focus of a seminar offered Monday, March 26, by the Small Business Center at Brunswick Community College.

The session will run from 6:30 p.m. to 9:30 p.m. in the multipurpose room of the ALS Building at BCC.

Presenter Tim Whitener will examine the requirements of the Fair

Labor Standards Act, Cobra, Immigration Reform Control Act, OSHA, EEOC, ERISA and others. He will offer tips on how to ease administrative burden while remaining in compliance with requirements.

To register or to obtain more information, contact the Small Business Center at 754-6961, 343-0203 or 457-6329. The seminar is offered at no charge.

## Squad Gets 47 February Calls

Calabash Volunteer Emergency Medical Services responded to 47 calls last month—a 60-percent increase over last year's February figure.

According to Chief Kathy Morfit, squad members also worked 167 volunteer hours and drove emergency vehicles 2,231 miles during the month.
