Plan Now For Picnic In The Park

BY BARBARA T. HEWETT

Make up your mind to be there Saturday. The place is Waccamaw Township Park at Ash; the event, Ocean View Association's annual picnic.

This occasion will provide for your very own personal enjoyment. Your attendance could also help your church earn recognition for having the most people present.

Just think about how delicious the chicken prepared by Cedar Grove and Little Macedonia churches is going to be, cooked to your taste.

All of us—large, medium or small—have been known to have fun and get rid of the blues when we let down our hair to play tennis, baseball, horseshoes and other activities with the youth at the park.

Singers Make History

In their own special way, on July 24, the Christian Singers made history for their church and for Ocean View Association. The group, which is based at Pleasant Hill Baptist Church, appeared at the young

Right To Life Plans Meeting

Brunswick County "Right To Life" has planned a membership meeting Tuesday, Aug. 14, at 7 p.m. in the Shallotte Community Chapel.

Area residents concerned about saving baby humans are invited to attend the public meeting, said spokesperson Janet Pope.

Shallotte Community Chapel is located on N.C. 130 East (Holden Beach Road) next to June's Fabric Shop.

For more information, call Mrs. Pope at 287-3111 or Jean Barber at 579-6623.

Commissioners Do Not Meet

Because only two of five Brunswick County commissioners were present Monday night, the board did not have a quorum, or majority of members, and did not conduct its regular meeting.

Only Vice Chairman Frankie Rabon and Commissioner Kelly Holden were present. Board Chairman Gene Pinkerton was visiting his sick father in Asheville, Commissioner Grace Beasley was attending to her ill husband and Commissioner Benny Ludlum was at New Hanover Memorial Hospital with a member of his wife's family, according to Rabon.

A public hearing on the issuance of \$1.9 million in bonds has been rescheduled to the board's Aug. 20 meeting.

Their selection, *Who is Going to Tell the Child About Jesus*, was received with much rejoicing and a standing ovation by the more than 2,000 messengers at the session.

Priscilla Brodie, state executive secretary-treasurer remarked that anytime you bring tears from the eyes of Berthenia Horne, past executive secretary-treasurer, you have made history.

The Christian Singers received numerous requests for bookings. Some of the places they anticipate singing later this year include Council, Oxford, Charlotte, Wingate, Sanford and the Raleigh/Durham area.

One retired teacher had the group sing two selections just for her. She has spoken with them about recording opportunities.

Birthday Greetings

Happy birthday this week to

Robert Flythe, Nathaniel Randall, Cynthia and Jeff Bryant, Cathy Johnson, Perry Hill, Andrea John, Covell Gore and Tia Bowden.

Weekly Scripture

The Scripture for the week comes from Philippians 3, "For I have told you often before, and I say it again now with tears in my eyes, there are many who walk along the Christian road who are really enemies of the Cross of Christ. Their future is eternal loss, for their God is their appetite. They are proud of what they should be ashamed of, and all they think about is this life here on earth. But our homeland is in heaven where our Lord and Saviour Jesus Christ is, and we are looking forward to his return from there. When he comes back, he will take these dying bodies of ours and change them into glorious bodies like his own using the same mighty power that he will use to conquer all else everywhere."

Dear Friends:

Prescription for Excellence Foundation thanks all supporters of the second annual Charity Ball. The Ball committee works hard each year to make this event enjoyable and memorable.

Thanks to your support the Foundation will continue to provide the school system with the video series, *PATHWAYS TO EXCELLENCE*, and individual work books so that each student can learn the importance of personal ACCOUNTABILITY, improved SELF ESTEEM and commitment to personal EXCELLENCE as a guide to SUCCESS.

Thanks to your support, the Foundation endowed the W.A. "Bill" Stanley Scholarship at the Brunswick Community College, which will enable a student the opportunity of an education each year.

Prescription for Excellence Foundation's vision for the future affirms the right of all individuals to achieve their God-given POTENTIAL. Our intent is to provide EDUCATION, NOURISHMENT and OPPORTUNITY. Through seminars we provide EDUCATION, the know-how, that enables each individual to develop their potential. We join with family, church and school to NOURISH that potential. Supporting the Brunswick Community College Foundation, we encourage every individual's OPPORTUNITY to an education.

The basis of our vision is best expressed by this poem:

"Build a better world," said God
and I answered,
How? The world is such a vast place,
and so complicated now,
And I'm small and useless;
There's nothing I can do,
But God, in all His wisdom said,
"Just build a better You."

For a better Brunswick County.
