## Lifesaver A/W

# 40,000 MILE

Limited Treadlife Warranty.

New technology has brought the development of a new tire: Lifesaver A/W. BFGoodrich Tires engineers call this new advancement "Optimized Design Technology." It gives the Lifesaver A/W a wider footprint on the road for better handling, a new shape that provides more even wear, and a uniform tread depth that makes the Lifesaver A/W more durable. So durable, in fact, that it's backed by a 40,000 Mile Limited Treadlife Warranty.
