Football, Volleyball, Tennis Awards Flow At West Brunswick

BY JOHNNY CRAIG
 Volleyball and girls' tennis teams took the spotlight at Monday's fall sports awards ceremony at West Brunswick. Also honored were both varsity and JV football teams as well as a host of students who received scholar-athlete awards from the North Carolina High School Athletic Association for the spring, 1990, school semester.

Timmy Clemmons (track), Allen Hewett (tennis), Amy Caison (softball), Perry Culpepper (softball), Emily Gore (softball), Heather Hughes (softball) and Pam Detrie (softball) were all recipients of the NCHSAA scholar-athlete award. All achieved a minimum 3.5 grade point average (on a 4.0 scale) during the semester of their athletic participation.

Culpepper also took top honors on the Lady Trojan volleyball team by receiving the coaches award. The team tri-captain and top setter was a four-year player and helped lead West to the state playoffs last fall for the first time in 13 years.

Gore, one of the team's top servers, was named most improved and Nicole Norris received the rookie-of-the-year award from

coach Debbie Newman.

"It was great to make the playoffs this year for the first time in a long while," said Newman. "We have 13 players returning next fall and we expect even better things ahead."

The volleyball team also captured its third straight Brunswick County championship and listed two players to the All-Waccamaw Conference team—Meg Small and Culpepper.

Erika Farr received the coaches award in girls' tennis. Farr teamed with Christy Poulos to advance to the state 1-A—2-A doubles championships in late October. The pair also was honored for being named to the All-WC team.

While the Lady Trojan duo qualified for the state championship tournament, the West Brunswick girls also advanced to the second round of the first-ever state team championships.

Robin Campbell was named the most improved player and also received an award for being the team's number one singles seed.

In addition to their state playoff participation, the Lady Trojans finished 9-3 in the WC and 10-4 overall. Included in the season was a

win over Whiteville for the first time in three years. The loss was also Whiteville's first in league play in the last three years as well.

Two-way starter Daniel Russ was named the varsity football's greatest contributor—the team's top award.

Brian Alderson and Aaron Butler shared the best back award while Donnie Warren was named the most improved player.

Charles Thorpe took best defensive lineman honors and Clemmons received the best offensive lineman award. Jeff Letino was honored with the head hunter award.

Receiving All-WC honors were Lance, George Daniels, Clemmons and Russ.

Also, some 13 Trojans received All-Brunswick County honors including Lance (co-player of the year), Jim Grissett, Clemmons, Alton Johnson, Tony Caison, Lance, Butler, Lonnie Mitchell, Thorpe, Daniels, Russ, Jerry Reeves, Letino and Bryan Fleming.

Two local businesses were honored by head coach Marshall Seay for their contribution to the West football program—Captain Nance's Restaurant of Calabash and James

and Connie Russ of Ocean Isle Beach. Both provided Trojan gridgers with team meals during the season.

Wayne Branch was named the junior varsity's greatest contributor after seeing action both offensively and defensively for the Trojans this fall.

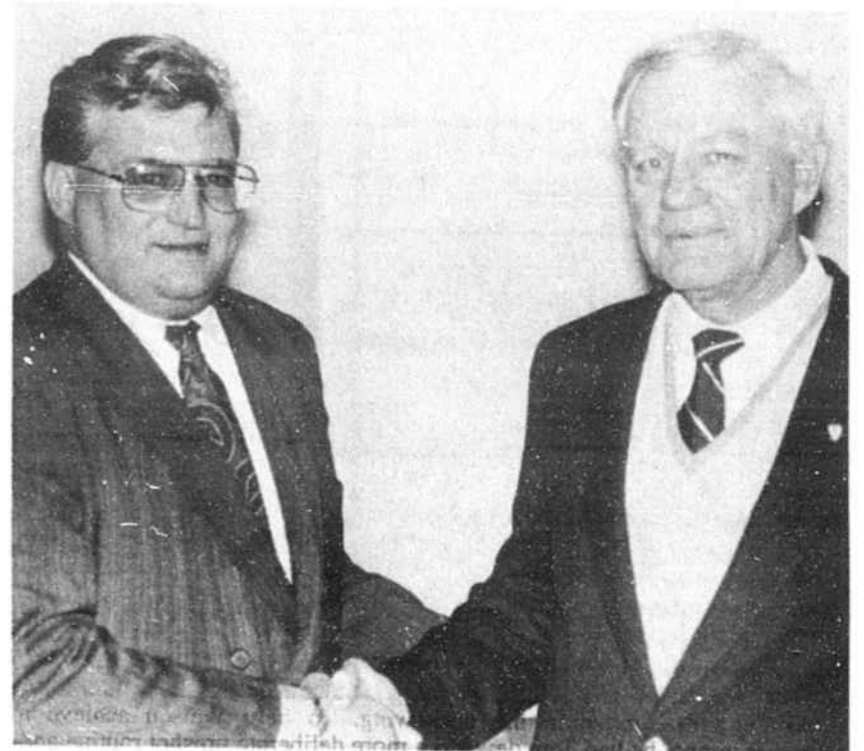

William Stanley received the best back award while Steve Brooks took best lineman honors.

Guest speaker John Robert Bell, a veteran college coach and educator, opened the ceremony.

Bell was head football coach and athletic director at East Tennessee State University during 1966-72. In 1969 he guided East Tennessee to the national championship in the Grantland Rice Bowl. As result, Bell received national coach of the year honors.

Prior to coming to East Tennessee, Bell served as an assistant for 20 years at Georgia Tech under the legendary Yellow Jacket coach Bobby Dodd.

Bell also played in the Cotton, Sugar and Orange Bowls as a player at Georgia Tech during the early 1940's.
