COURSE SUMMARY

Golf Is Dinner Table Topic

(Continued From Page 34)

prime acres of marshland and forests. The course features dramatic water hazards, mounding, bent grass greens and 419 bermuda fairways and tees.

Ocean Harbor is an elegant retreat in total harmony with its environment. More than 100 acres of land inside the property are set aside as a wildlife refuge. The property is crowned by a clubhouse with a panoramic view which contains the pro shop and dining area.

The course measures a strong 7004 yards from the championship tees, 6600 yards from the blue tees, 6200 yards from the white tees and 5400 yards from the red tees. Needless to say, it proves a beautiful and exciting challenge for all levels of golfers.

Oyster Bay Golf Links

Recognized by *Golf Digest* as the "Best New Resort Course" when it was built, Oyster Bay has maintained its reputation with golfers from all over the USA. Oyster Bay is also one of the most popular courses for golf tournaments and golf packages. It is located on Highway 904 between Calabash and Sunset Beach.

Ocean Isle Beach Golf Course

Ocean Isle Beach Golf Course is located on Four Mile Road between US 17 and NC 179. This excellent facility has been visited by thousands of golfing tourists over the years who enjoy great golf on a well maintained course. Ocean Isle is a favorite of senior golfers and local associations for their outings. The course is in its best condition ever.

The Pearl

The Pearl is not standing pat with two great courses. The new Pearl North and Pearl South courses are under development on the property generally bordered by Old Georgetown Road, NC 904 and NC 179. If these new courses follow the tradition of Pearl East and West, the

complex will feature four of the finest courses to be found anywhere.

Billy Cramer is the resident PGA club professional at The Pearl, which is a leader in our area for conduction tournaments.

Sandpiper Bay

A Dan Maples creation on Old Georgetown Road is topped off by a beautiful plantation clubhouse with a restaurant and pro shop. Sandpiper Bay is a fascinating course which features wide fairways and bent grass greens. It is an immaculate course which is fun to play. The fairways are lush, the rough has a friendly cut, and each green features several putting levels. Naturally sculptured bunkers guard the extra large elevated greens which are highly receptive to approach shots. Most of the water and trouble is on the left side of the course. Many of the holes require a drive over or near water and marshland.

Brick Landing Plantation

Brick Landing is located south of Shallotte and east of Ocean Isle Beach on Highway 179. Several holes have spectacular views of the

ocean and the intracoastal waterway. The course folds naturally into the terrain and features bulkhead greens, pot ponds, marsh land and over 60 sand bunkers.

"The Brick" won an award for having one of the Best 100 Golf Shops in the United States and their "It takes balls to play the Brick" Tee shirt won a national award.

The course features one of the best practice facilities in the area. John Carney, the new golf professional and his staff have a regular program of golf instruction.

Brick Landing has a tradition of supporting amateur golf. They will again host The Junior Amateur at Brick Landing and they are the home course and training ground for the West Brunswick High School golf team.

These are all fine golf courses, each with its unique features to tantalize your imagination and your game. They are the best reason I can think of to make plans to return soon to the South Brunswick Islands where golf is a leader of our leisure time traditions. And when you return, don't be surprised if I walk up to your dinner table and ask, "OK, which one of you Sandbaggers won all the money today?"
