

After Prom '91

West Brunswick High School

Thanks For The Memories

On April 21, 1991, West Brunswick High School Juniors, Seniors and dates attended "After Prom '91" a chemical-free all-night celebration at 2001. Donations of cash, prizes, food and services ensured the tremendous success of this event.

Super Teamwork!

"After Prom" is a community endeavor, accomplished with school approval and cooperation but coordinated by volunteers (both student and adult) and funded by concerned and caring businesses and individuals. It reflects a genuine concern for community and highway safety. Again, special thanks to all our **committee chairpersons and their volunteers.**

Questions? Suggestions? For After Prom '92?

Plans are already underway for next year!
