

Chamber Execs' Annual Meeting To Be Held Here

BY HOLLY RICHARDS, EXECUTIVE VICE PRESIDENT
South Brunswick Islands Chamber of Commerce

When will it stop? Never I hope! We pulled off yet another coop for the South Brunswick Islands! While attending the joint NC/SC Association of Chamber of Commerce Executives (NC/SCACCE) annual meeting in Kiawah Island, S.C., our chamber presented a proposal to the NCACCE board of directors inviting the groups to have their 1992 NC/SC Chamber annual meeting in The South Brunswick Islands. Guess what? We got the bid!

This is quite an accomplishment for our chamber and will bring more recognition to the South Brunswick Islands. The event will be held at Sea Trail Plantation Aug. 6-8, 1992. It promises to be the best annual meeting these two organizations have ever had.

Many of them have never visited any place as beautiful as the South Brunswick Islands. I am confident that our community will show my chamber counterparts the same red carpet treatment that you have shown me during my first month as your executive vice president.

Now let's talk fish. Plans are continuing for the South Brunswick Islands King Classic on Labor Day weekend. The King Classic Committee is meeting weekly to finalize all the arrangements. Things are right on schedule for the N. C. Oyster Festival to be held Oct. 18-19. The Oyster Festival has been recognized by Celebration North Carolina as one of the top festivals in the state. How about that?

Thanks to those of you that attended the reception at Sea Trail Plantation on Tuesday Aug. 6. I enjoyed seeing you. It was a most exciting and memorable evening. A special thanks to hosts Holden Beach General Store and Atlantic Telephone, it was wonderful!

Food Service Course Set

A training session designed for persons who work in food services will be held Sept. 3-5 at the Cooperative Extension Office in the Agriculture Building at the Brunswick County Government Center south of Bolivia.

The course will discuss measures to take to keep food safe and sanitary. Participants will have the opportunity to receive a five-year certification recognized by the U.S. Food and Drug Administration.

Max Gregory, food science extension specialist at N.C. State University, along with representatives from the Brunswick County Health Department and the county extension staff, will teach the class.

Topics include foodborne illness, importance of time and temperature in safe food and cleaning and sanitizing.

The cost is \$60. For more information, contact the County Cooperative Extension Service at 253-4425 or the County

Health Department 253-4381.

Clemmons Named VP

Larry B. Clemmons has been named vice president of the residential real estate division of Barnett Bank of Atlanta.

A native of Wilmington, Clemmons is the son of the late Floyd B. and Little L. Clemmons of Supply. He has been in the mortgage banking industry for 12 years, the most recent three years in Atlanta and nine years in Tampa, Fla.

He serves on the board of directors of the Atlanta Mortgage Consortium, a group of lenders committed to meeting the housing needs of low to moderate income families.

Construction Climbs

Permits for more than \$2.5 million in construction were issued by the Brunswick County Building Inspection Department in July.

Inspectors issued 296 permits for \$2,521,291 in total value, according to the monthly report. Of those permits, 129 were for buildings, 122 for electrical, 10 for plumbing and 35 for mechanical inspections.

Seven single-family permits were issued for \$479,939 in value. Also, 83 mobile home permits were given along with six commercial building permits for \$1,846,600 in value.

Other permits were as follows:

one remodeling, \$27,036; six additions, \$48,394; four garages, \$64,110; five decks and porches, \$14,220; three pools, \$17,360; and seven signs, \$23,632.

For the year, 2,484 permits have been issued, 91 for single-family homes valued at \$6 million and 33 commercial permits for \$8.8 million in value.

Total value of new construction this year stands at \$16.7 million.

In July 1990, permits totaled \$11,914 for the month and \$104,933 for the year.

County Inspects Food And Lodging Places

Brunswick County environmental health specialists inspected 42 restaurants as well as other food service and lodging facilities during July.

Sanitation grades for restaurants and food or drink stands are based on a system of scoring where an "A" is given to scores of 90 percent or better; a "B" to scores of at least 80 percent and less than 90 percent; a "C" to scores of at least 70 percent and less than 80 percent. The permit would be revoked for any establishment that receives a score of less than 70 percent.
