

DEFENSIVE DOMINATION—A North Myrtle Beach Chief ball carrier located at the bottom of this pile is surrounded by West Brunswick defensive players during Friday's 38-0 Trojan win. The West Brunswick defense held the Chiefs to minus 32 yards rushing in the contest. Closing in for the Trojans are, from left, Aldwin Lance (32), Donnie Warren (56), Jerry Reeves (88), Wayne Branch (2), Bobby Lovette (50) and Shawn Stevenson (34).

TROJANS ROMP—West Brunswick tailback Steve Holmes (5) dodges a North Myrtle Beach defender in Friday's 38-0 Trojan romp over the visiting Chiefs. Holmes gained 28 yards on three carries to help the West Brunswick ground game which tallied 269 yards. The Trojans finished the contest with 319 yards in total offense.

AS TROJANS ROMP 38-0

Aldwin Lance Scores School-Record Five TDs

BY JOHNNY CRAIG

The West Brunswick running game awoke from its preseason doldrums in impressive fashion last Friday in the Trojans' 38-0, season-opening football romp over visiting North Myrtle Beach, S.C.

Senior tailback Aldwin Lance scored a school-record five touchdowns, including his first on a 66-yard jaunt on the Trojans' opening offensive play of the game. Lance finished with 148 yards on 11 carries to lead West Brunswick's 269-yard rushing attack.

And it was the Trojan defense that was equally impressive, limiting North Myrtle Beach to minus-32 yards on the ground and 10 yards passing.

The West defense was so dominate that the Chiefs failed to register a first down until the closing minutes on their final possession of the game.

"I've never seen a better defense this early in the season," said West Brunswick head coach Marshall Seay. "However, I never really expected us to dominate the game defensively because I saw North Myrtle Beach in a preseason game last week and they attacked the line of scrimmage very hard."

Despite its output, Seay was a little hesitant to praise the offensive unit.

"It's hard to evaluate our offense. I do feel as though the offensive line did a little better than our last scrimmage against East Duplin a week ago. Lance scored on the first play of the game so what can you say."

The first Trojan score came on a counter-gap play made famous by the Washington Redskins and first used during the days of former Super Bowl MVP John Riggins.

"We set the counter play up with our power side of the offensive line and it was good for us all night long. When you've got a player the size of Tony Caison (6-3, 291) pulling all the way down the line and Daniel Russ (6-4, 225) right behind him, that's a lot of weight moving to the weak side of the defense."

"By and large, I was very proud of the effort. The kids worked hard and have worked hard all preseason. This is an emotional ball team. They don't show it with a lot of 'rah, rahs,' but when you snap the football they really get after it."

"They all miss George," added Seay, referring to George Daniels, the former football/baseball standout who was killed in a auto accident last May who would have been a senior performer this fall on the Trojan team. "I think they mean it when they say this year's for him."

BREAKAWAY—West Brunswick running back Wayne Branch (2) finds daylight in the North Myrtle Beach defensive secondary last Friday in the Trojans' 38-0 romp. Branch, who also recovered a fumble while starting on the defensive line for the Trojans, ran for 15 yards on two carries.

The Trojans scored on every first-half offensive possession but one, driving to the North Myrtle Beach eight-yard line before losing the ball on downs on their only non-scoring series.

Both West Brunswick offense and defense scored in the first half piling up a 32-0 lead at the break.

Lance scored the second of his record five touchdowns with 1:30 to play in the opening period to give the Trojans a 12-0 lead.

The drive began on the Chief 31-yard line after Jim Grissett intercepted quarterback Matthew Palmer's third pass of the game.

Following Lance's 24-yard spurt up the middle, the senior speedster scored on the next play on a seven-yard burst.

West Brunswick's conversion attempts following touchdowns failed all night. The Trojans two-point conversion run and pass on the first two scores both failed and West was equally ineffective on extra-point kicks.

Grissett returned a North Myrtle Beach punt to the Chief 20-yard line to give the Trojans excellent field position on their next possession.

Lance covered the entire 20 yards himself on the two-play scoring drive including an eight-yard run on the first snap and then getting his third touchdown on a 12-yard dash

with 10:30 to play in the half. Linebacker Ronnie Bradley recovered a North Myrtle Beach fumble three plays later to set up the next West Brunswick score.

Bradley recovered Anthony Gore's miscue at the Chief 24 and five plays later Lance waltzed into the end zone from two yards out to give West Brunswick a 24-0 advantage with six minutes left in the half.

North Myrtle Beach mishandled the ensuing Trojan kickoff and was forced to start its next possession on its own one-yard line.

Three plays later, Palmer was sacked in the end zone for a safety by Trojan linebacker Daniel Russ and defensive end Lonnie Mitchell to give West Brunswick a 26-0 lead.

Another Lance scored the final West Brunswick points of the first half. This time it was Michael Lance, a 175-pound sophomore, reserve tailback, who scored on a three-yard run to give the Trojans a 32-0 lead.

Another sophomore, Steve Holmes, ran for 24 yards on the second play of the three-snap drive, to give the Trojans first-and-goal at the Chief three.

Engineering the drive was sophomore quarterback Timmy Daniels who entered the game relieving starter Brian Alderson. Daniels was one of three Trojan quarterbacks to see action.

Backup Aldwin Lance also saw time at quarterback beginning with the second possession of the second half.

It was on that seven-play, 45-yard drive, that the Trojans scored their final points.

Fullback Aaron Butler ran for 36 of the yards on the fourth play to give the Trojans a first down at the Chief 19-yard line.

Three plays later Aldwin Lance scored on a 13-yard run to give the Trojans their final 38-0 winning margin.

Butler also aided the West Brunswick rushing attack with 37 yards on two carries while Holmes ran for 28 yards on three carries.

Alderson, who began the game with a 101-degree temperature, completed two of five passes for 19 yards. Aldwin Lance completed his only pass, a 31-yard strike to Grissett on a tailback option early in the first quarter.

Anthony Gore, North Myrtle Beach's leading rusher from 1990, led the Chiefs with seven yards on 13 carries. Brian Taylor also made one pass reception for 10 yards.

West Brunswick continues non-conference play Friday visiting South Brunswick in the first of two meetings this season with the Cougars.

The two teams will also battle on

Nov. 8 to close out the regular season in a Waccamaw 2-A Conference contest.

Friday's game, South Brunswick's season opener, begins at 7:30 p.m.
