Brunswick Electric Membership Corporation (BEMC) of Shallotte, North Carolina, announces it is making application with the Rural Electrification Administration (REA) for the construction of a headquarters and operations facility. This proposed facility will include a 30,000 square foot headquarters office; a 12,500 square foot operations building; a 24,000 square foot warehouse; a 4,000 square foot garage maintenance building with refueling area incorporating two fuel pumps—one diesel fuel and one gasoline; one diesel fuel and one gasoline aboveground storage tanks with a maximum capacity of 6,000 gallons per tank; a self-supporting lattice type radio tower with a maximum height of 250 feet; a pole and equipment storage area; and employee and visitor parking to accommodate approximately 100 cars and parking for approximately 30 trucks. The proposed facility will be located on Highway 17 on the southern side of Supply, North Carolina. The proposed building will be concrete block and/or metal buildings. The total land area to be affected by the proposed construction activity will be approximately 22.5 acres.

A Borrower's Environmental Report which addresses the environmental effects of the proposed headquarters has been prepared. A copy of this report can be reviewed at the BEMC Headquarters Office at the address provided above or at the office of Mr. Alexander Sherman, Chief, Distribution and Transmission Engineering Branch, Southeast Area-Electric, USDA Rural Electrification Administration, South Agricultural Building, Room 0269, Washington, D.C. 20250. Phone (202)382-8437. BEMC does not believe the proposed operations center will have a significant effect on the quality of the human environment. However, REA will prepare its own independent environmental assessment prior to granting approval for the installation of the proposed facility.

Comments from the public concerning the environmental aspects of the proposed operations center are invited and should be submitted to REA in writing within thirty (30) days of the publication of this notice. Additional information may be obtained by contacting Mr. Currie Batchelor of BEMC or Mr. Alexander Sherman of REA at the addresses and telephone numbers provided above.
