

AUCS CLOSE IN—West Brunswick fullback Aaron Butler (35) is brought down by Mullins, S.C., tackle Eric Lowery while a host of Auctioneers, led by Richard Garner (48), close in. Butler ran for a season-high 69 yards on just six carries to aid the West Brunswick rushing attack and help the Trojans to a 6-0 win.

READY TO PASS—West Brunswick quarterback Brian Alderson (9) spots an open receiver and draws back to pass in the Trojans' 6-0 win over Mullins, S.C. last Friday. Alderson completed two of 12 passes for 21 yards while scrambling five times for 14 more yards. West Brunswick (3-0) opens Waccamaw 2-A Conference play Friday visiting Whiteville in a key league matchup.

Trojans Top Aucs 6-0 In Defensive Battle

BY JOHNNY CRAIG

West Brunswick won a defensive battle over a quicker, smaller Mullins, S.C. football team Friday, 6-0 in the Trojans final nonconference battle of the current prep season.

Matt Bozeman scored the game's only points on a 12-yard pass from quarterback Brian Alderson with 6:30 to play in the first half before the time remaining soon became a defensive stalemate.

"Mullins was so quick we just couldn't stay on our blocks offensively," said West Brunswick coach Marshall Seay. "We didn't maintain contact on each play and basically had poor output on offense. We will just have to evaluate the game film and see what we need to correct."

"I guess this is a typical game after an open date for West Brunswick," added Seay in reference to his team's returning to action after having last Friday off.

"Our defense was tested tonight. They really saw some speed tonight. The defense kept Mullins from getting very many total yards despite being penalized heavily once again. We may have been intimidated a little by their quickness."

"We are very pleased with getting out of here with a win. Mullins is a very good team which lost to a pair of 3-A teams in South Carolina before coming here tonight," Seay said.

West Brunswick's only touch-

down came on its longest offensive drive of the game which began early in the second quarter.

The drive was highlighted by Aaron Butler's 40-yard run up the middle to the Auctioneer 13-yard line on a key third down and 17. Butler's run was the second time in the drive the Trojans picked up a first down on crucial third-down situations.

The Trojans picked up a first down on the third play of the drive when Alderson scrambled for a nine-yard gain on third-and-two at the Trojan 42-yard line.

Three plays following Butler's burst, Alderson connected with Bozeman for the game-winning points.

Mullins managed to drive to the Trojan 26 and 23-yard line in the final quarter but the Trojan defense extinguished both rallies.

In fact, the entire fourth period was played inside the West Brunswick 44-yard line as the Auctioneers kept the Trojan's offense backs to the goal line.

It was actually the Mullins offense that provided the spark which kept the Trojans in the hole. The Auctioneers engineered a seven-play drive that began midway in the third period at their own 16-yard line but ended on fourth-down punt that rolled to the Trojan seven.

The Mullins drive was aided by four West Brunswick penalties totaling 40 yards.

GANG TACKLE—Mullins, S.C., running back Donnell Smith (center, with ball) is dragged to the ground by a gang of West Brunswick defenders during the Trojans' 6-0 nonconference win Friday. Helping aking the stop for the Trojans are Daniel Russ (left) and Lonnie Mitchell (bottom).

The Trojans took over at their own seven yard-line but were forced to punt three plays later. Alderson's 26-yard boot gave Mullins great field position at the West Brunswick 31.

Trojan defensive back Aldwin Lance's pass interception on fourth down stopped the Auctioneer drive and West Brunswick took over at its own 22-yard line.

The Trojans were again unable to pick up a first down and following a

22-yard punt, Mullins took control at the West Brunswick 40 with 7:30 to play.

The Aucs got one final scoring chance with four minutes left when Kendrick Reaves intercepted an Alderson pass at the Trojan 25-yard line.

However, Adam Johnson's fourth-down sack of quarterback Vincent Gerald at the 26 with just over a minute to play ended the Auc's hopes of getting their first win of the

season.

Neither team was able to move the ball in the second half. West Brunswick managed only 20 yards in total offense in the final half compared to Mullins' 14.

Lance led the Trojans (3-0) despite a season-low 75 yards on 16 carries. Aaron Butler ran for 69 yards on six carries.

Donnell Smith led Mullins (0-3) rushing for 43 yards on 18 carries. West Brunswick visits Whiteville

on Friday in both teams' Waccamaw 2-A Conference opener at 7:30 p.m.

When It Comes To Long Term Savings a CD Can't Hold a Candle To The Deferred Annuity

Consider These Dramatic Differences Between a CD and an Annuity

	Southern Farm Bureau Life's FLEX II	Bank CD
Current Interest Rate*	7.75%	6.5%
Interest Earnings	Tax Deferred	Currently Taxable
Surrender Charges Limited To 8 Years**	Yes	No
Partial Free Withdrawals**	Yes	No
Safety	Reserves Established by Insurance Company	FDIC
30 Year After-Tax Accumulation***	\$332,868	\$197,188
30 Year After-Tax Monthly Income***	\$3,028	\$1,629

The above chart is for comparative purposes only. Call your county Farm Bureau office for your personal FLEX II Profile!

Southern Farm Bureau Life Insurance Company offers Flex II, a Flexible Premium Retirement Annuity designed to help accumulate wealth for the future. And, it's backed by one of the strongest companies in the country. Southern Farm Bureau Life has been rated A+ (Superior) by Best, since the inception of this rating system.

*FLEX II current rate is not guaranteed, subject to change periodically. Once the annuity is established, current rate is guaranteed for one year. The guaranteed rate is 4% for the life of the policy. CDs offer no long term guarantees beyond CD maturity. Bank CD rate above is a hypothetical interest rate. Call your bank for a current rate.

**Up to 10% of accumulation value on contracts with value of \$5,000 or more is available each year with no company surrender charge after first year. Such withdrawals of interest are taxable and withdrawals occurring prior to age 59 1/2 may be subject to IRS penalty. Bank CD withdrawals may occur without penalty only after CD maturity. CD penalties renew with each CD renewal.

***30 year accumulation assumes a \$50,000 single premium, interest rates shown above, and 28% tax bracket. The 31% tax bracket is used for the FLEX II accumulation. Monthly income from FLEX II based on company's current payment option rates for a male, age 65, 10 years certain and life, and are not guaranteed. Once policy is annuitized, monthly income is guaranteed for life. CD certain and life and are not guaranteed. Payments received directly from bank CD are not guaranteed as to amount or length of time received.

The A.M. Best Company is an independent commercial insurance company rating organization and information used is based primarily on each insurance company's annual financial statement. Best assigns its highest rating to those companies which in their opinion have achieved superior overall performance when compared to the norms of the life and health insurance industry. Best ratings, however, are not a warranty of an insurer's ability to meet its contractual obligations.
