Tennis Opens Monday

West Brunswick sophomore Lamar Hardy is the picture of concentration during tennis practice. The Trojan netters open the 1992 season next Monday at Whiteville, where the Wolfpack begins defense of its Waccamaw 2-A Conference championship. West Brunswick's home opener is March 30 against South Robeson.

Trojan Netters Face Whiteville In Opener

West Brunswick's boys' tennis team faces one of its toughest challenges of the year when it opens its 1992 season next Monday.

The Trojans will take on defending champion Whiteville on the Wolfpack's home court.

"We have a super team," Coach Marti Gillis said. "They have a good work ethic and are focused on upsetting Whiteville."

Sophomore Lamar Hardy, who played number four for the Trojans last year, starts this season as the top West Brunswick player.

Other returning starters from last year are senior Jody Dale, who will play number two, and junior Michael Sellers, who will play at the sixth spot.

Senior Jeff Ballou, who played part of last year before being sidelined with an injury, will play number three.

Jason Carr, another senior, will play the fourth slot, and sophomore Benji Mankin will be the number five player.

Other team members include juniors Sean Hughes, Chris Carter and Scott Lewis, sophomore Jody Bowen and freshman Kelly Wooten.

West Brunswick recently competed in the Seahawk Challenge tournament in Myrtle Beach, S.C., losing to Myrtle Beach 0-7 and Rock Hill, S.C., 3-4.

Coach Gillis said West was the smallest high school competing in the tournament, held March 6 and 7.

Carr came back to win his match against Rock Hill. After losing the first set 2-6 and trailing 0-5 in the second, he won the second set 7-5 and third-set tiebreaker 7-3.

Mankin also won his singles' match, along with the doubles team of Ballou and Carr.
