Commercial Groups Sponsor Fish Forum

Three commercial fishing organizations are joining forces to sponsor a commercial fishing industry forum Tuesday, April 21, at Carteret Community College in Morehead City.

The purpose of the meeting is to allow people who represent various areas of commercial fishing to suggest solutions to problems in the industry, said Oscar Greene Jr., who is organizing the event.

People who make decisions that affect the livelihoods of fishermen have been invited to the forum, including federal and state representatives and fisheries officials.

Sponsors include the N.C. Fisheries Association, Carteret County Waterman's Association and Southeastern N.C. Waterman's Association.
