

**LOCAL TOURNAMENTS PLENTIFUL**

**Help Support Local Charity At Tourney Of Your Choice**

If there is one enterprise that Brunswick County and our golf courses are known for, it is conducting fund-raising tournaments for good causes and charitable organizations. Many of these events occur in the months of June and July.

All of our golf courses take pride in contributing to a wide variety of fund-raising events and they do a really spectacular job. Not only do the natives enjoy these tournaments, but golfers from far and wide come to join in the merriment. Golfers of all levels of ability find a sincere investment in community spirit. They also go for the "fun and games" that are offered at fund-raising events.

I have seen golfers shell out \$5 trying to hit a small circle on a par-3 green, knowing full well that their chances of reaching the green isn't better than 3 to 1. The long drive holes are also ever popular contests.

Most of these tournaments are captain's choice formats which keeps everybody in the game and allows maximum advantage for Mulligans.

**Who Is The Captain?**

I frequently enjoy noting who the "captain" is and then watching who makes the decisions on which ball to play.

There are several popular tactics employed in selecting the ball to be used for the next shot. It is also a matter of some high strategy deciding which member of the team will hit first, second, etc. Some teams insist on the best golfer hitting last off the tee. Others want a straight consistent player to fire it up first and get a ball on the short grass so the best or longest driver can hit second with less pressure than would be the case if he hit last.

On the putting green the rotation often differs from that used on the tee or in the fairway. Most groups save the best putter until last and lead off with the putter that is most likely to miss hole on the "Pro Side" of the cup if he does not get the ball in the hole. This gives everyone who follows a good read on the line and the speed of the putt.

The interesting aspect of captain's choice putting is that some teams pick a player who may not be up to snuff from tee to green, but who can really put the lights out on the green. Really good putters are also very likely to be good chippers as well.

I have never been a big fan of putting when I am not on the surface of the green. Normally, I would only do it when the shot calls for a delicate downhill stroke which will be difficult to stop near the hole.

I would also prefer to have very little light fringe to negotiate before putting from off the green.

However, you can see all sorts of unusual tactics in trying to hole out during a captain's choice event

**Rotary Club Slates 5th Benefit**

The Rotary Club of the South Brunswick Islands is sponsoring their 5th annual charity benefit Saturday, June 13, at Sandpiper Bay Golf and Country Club. The Rotary Club is well known for its benevolences, which include the Brunswick County Literacy Council, the Waccamaw Boys and Girls Home, Hope Harbor Home, our local rescue squads and other local charities. These are all institutions worthy of our support.

The club's captain's choice event will feature teams of four golfers that will begin with a shotgun start at 8:30 a.m. and conclude with food and refreshments. The entry fee, which will include carts and prizes, is \$50. Interested golfers may contact Jimmy Sanderford at 579-3586, Joe Barry at 754-5743, or call Sandpiper Bay at (919) 579-9120 or (800) 356-5827.

**WESTGOLF Booster Tourney Set**

If that weekend is already taken on your schedule you may want to try the WESTGOLF Boosters Tournament at Brick Landing Plantation Saturday, June 20. This event is a fundraiser for the West Brunswick Golf Team and the proceeds are used for team equipment, travel expenses and to help the players who enter Junior events during the summer.

This tournament is also a captain's choice format and has a \$50 entry fee which includes carts, door prizes, on-course refreshments and food after play is completed. The parents and boosters of the golf team have always involved excellent sponsors and provided excellent door prizes as well golf equipment for auction at the awards ceremony.

You may sign up by call the pro shop at Brick Landing, 754-5545, or Will Cockrell, 754-8448.

If these events don't suit your taste, check out the counter and the bulletin board at your local pro shop. There are many more great opportunities to get out in the sun and support your favorite charity.
