

# Winners Named In Chamber Tourney

Six teams in two flights were winners in Saturday's rain-shortened South Brunswick Islands Chamber of Commerce Golf Tournament held at The Pearl Golf Links near Calabash.

The scheduled 18-hole, captain's choice tournament was reduced to nine holes due to torrential rain that fell over the area throughout the weekend.

Capturing first place in the A-flight was the ACT Accounting and Taxation team of Rick Ward, Johnathan York and Scott Irby that shot a 5-under-par, 31.

Two teams shared second place in the A-flight with identical rounds of 4-under-par, 32. Deadlocked were the K and D Enterprises team of Frank Delzotti, Vic Karam, Steve Karam and Gene Heidt and Southern National Bank's Glenn Walters, John Schultz, Scott Benton and Duck Walters.

Winning the B-flight honors was Team Gauntlet, John Lawrence, Kris Elliott, Gere Jones and Chris Dallmer, with a 3-under-par, 33.

Taking second in the B-flight was Sea Trail Golf Links, Dean Walters, John Williams and Brian Griffin, with a 2-under-par 35.

The Brunswick Electric Membership Corp. -Larry Cheek DDS team of David Batten, Mark Shelly and Larry Cheek finished third in the B-flight with a 1-under-par 34.

"Considering the circumstances, the tournament was a huge success. The weather played havoc nearly all

day but, all participants seemed to have a good time," said tournament Co-chairman Johnny Craig.

"The Pearl staff kept things running smoothly. Everyone involved with this tournament were chamber backers and their support on such a very wet day was greatly appreciated."

Rounding out the top B-flight finishers were four teams that fired even-par rounds of 36 including Farm Bureau—Mutual Insurance (Don Warren, James Russ, Ken Ferguson and Bobby Gore), Century 21-Island Realty (Jeff Leonard, Terry Barbee, Scott Quantance and Ben Corley), United Carolina Bank (Glenn Humbert, Robert Cox, Al Laughinghouse and Bobby Davis) and Houston and Associates (Jim Guffey, Larry Heustess, Harry Teague and Jay Houston).

Shreve Brothers Properties (Ed Shreve, Junior Fox, Larry Shreve and Tony Shreve) shot one over par.

*It's just indigestion. It'll go away.*

*It's stress, that's all. I just need to relax.*

*I'm just out of breath. I'll be fine in a minute.*

# DON'T BET YOUR LIFE!

Ignoring the symptoms of a heart attack -- chest pain, shortness of breath and weakness -- won't make them go away. In fact, time wasted on making excuses for what's "probably" wrong could be precious, life-saving minutes.

Though the pain may stop in a few minutes, the heart attack continues, destroying the heart muscle. After three hours, sweating, nausea and weakness may occur. By four hours, most damage to the heart is irreversible. Getting emergency medical care is critical.

The CHEST PAIN EMERGENCY CENTER at The Brunswick Hospital is equipped with sophisticated monitoring technology and is staffed by experienced physicians and nurses who can verify if a heart attack is the problem and begin the appropriate treatment immediately. Today, powerful drugs can be administered which dissolve blood clots -- literally stopping a heart attack in progress -- if the patient gets to the hospital in time.

Making excuses for chest pain puts the odds against you. Don't bet your life.
