

Phyllis Miller, Kerr Pharmacist

### "Suncare Tips For Children."

Try to prevent sunburns in your children. Begin using sunscreens at six months of age and allow only moderate sun exposure. When outside, use bonnets and sun umbrellas or keep your baby in the shade.

### "I always find the right brands at the right price."

Rob Lyman, Kerr Customer

At Kerr, you'll always find the brands you want and save money, too. Check your Kerr Drug circular for dozens of special buys and look for dozens of right price specials throughout the store.
