\$5,500 In Stolen Property Recovered In November

An estimated \$5,500 worth of stolen property was recovered by the Brunswick County Sheriff's Department during September, according to a monthly officers' activity report released by Sheriff John Davis.

Deputies and detectives made a total of 26 arrests as prosecuting witness.

A total of 1,607 calls were answered, including 183 domestic calls, and 456 investigations were made. Deputies found seven doors

or windows open, the report said.

Deputies served 481 civil papers and summoned 112 witnesses. Eleven mental and inebriate papers were served, along with 23 foreign warrants.

More than 104,225 miles were logged, including 29 trips out of the county. The department used a total of 8,896 gallons of gasoline.

Sheriff's personnel spent 14 off-duty hours in court and 43 on-duty hours. There were 41 crime prevention meetings.

Tutor Training Offered

The Brunswick County Literacy Council will sponsor a free tutor training workshop in Leland in January.

The workshop will be held Saturday, Jan. 9, and Sunday, Jan. 16, from 9 a.m. until 2 p.m. each day at Goshen Baptist Church. It will be led by trainer Rich Dixon.

Upon completion of the workshop, participants will be certified tutors in the one-on-one, phonics-

based Laubach Way to Reading. Tutors will be matched with students who have contacted the literacy council.

The Brunswick County Literacy Council provides free one-on-one lessons to adults and teens who want to improve their reading and writing skills.

To pre-register for the workshop or more information, call the council at 754-READ.
