Memorial Day Observance

Shallotte Man's Pet Poodle Killed

Someone shot two pet poodles with a pellet gun, killing one and injuring the other, near Parkview Apartments in Shallotte Sunday night, according to a crime report on file at the Brunswick County Sheriff's Department Monday.

The owner of the dogs told investigating deputy Robert Long that he let the dogs outside at about 10:15 and discovered that they had been shot about 15 minutes later.

One poodle was dead and the other had a wound in her rib section, Long's report said.

The owner said that someone in the area "is always shooting neighbors' cars with a pellet gun and is out late every night prowling around," the report said.

Detective Tom Hunter is continuing an investigation into the case.

In other crime reports on file at the sheriff's office Monday:

■A fire of suspicious origin destroyed an old store on Kirby Road, off N.C. 130 Saturday night. Tri-Beach Volunteer Fire Department Chief Doug Todd told Deputy Rebekah McDonald that the blaze apparently started at the center of the building. He said that electrical power to the building had been shut off.

■An estimated \$300 cash was stolen in a burglary at the dockmaster's office at Marsh Harbour Marina in Calabash Thursday night. An investigation by Deputy Phil Bryant determined that the thief apparently

■A video cassette recorder, a microwave oven, a cordless telephone and numerous cassette tapes were stolen during a break-in at a home in Pine Burr Acres subdivision sometime in the past two weeks. The

owner, a Rock Hill, S.C., woman discovered the theft Saturday afternoon. Deputy Keithan Horne determined that the thief entered through a kitchen window, which she said had been left secured. The total value of stolen items was estimated at \$860.

■Fifty hypodermic syringes and a pair of socks were reported stolen from the Funsten Hog Farm complex in Winnabow Saturday night. The manager told Deputy Michael Weldrick that someone had broken into the main office by forcing open a rear window. Various personal items also were removed during the break-in, the report said.
