

Introducing the elegant, the unique...

BRUNSWICK Gallery

CONTEMPORARY AMERICAN CRAFTS

Brunswick Gallery features an eclectic collection of Contemporary American Crafts created by various area, regional, and national talents. Work is available in a variety of media such as glass, ceramics, metal and wood; and includes both functional pieces and gift items as well as intricately designed jewelry. We offer the most unique and elegant array of craftsmanship available on the southern coast of North Carolina.

Handcrafted Jewelry by Seattle artist, Temple McNeer. (Above) Etched silver bracelet with patina finish. (Top Left) Reticulated silver earrings. (photographs are larger than actual size)
