...with Advanced Calling Services from your telephone company

How many times have you run to grab a ringing telephone, only to hear dialtone? Or spent what felt like forever trying to reach a busy number? Yet, because the telephone is so important to you, you continue to run, and grab, and listen...no matter how frustrated or angry you become.

With Advanced Calling Services, you can tame that telephone. You can make it do things you never dreamed possible... like return missed phone calls. So make your life a little more productive—and maybe a bit more fun—with Advanced Calling Services from your telephone company. Call today and tell us you'd like to "Tame Your Telephone."

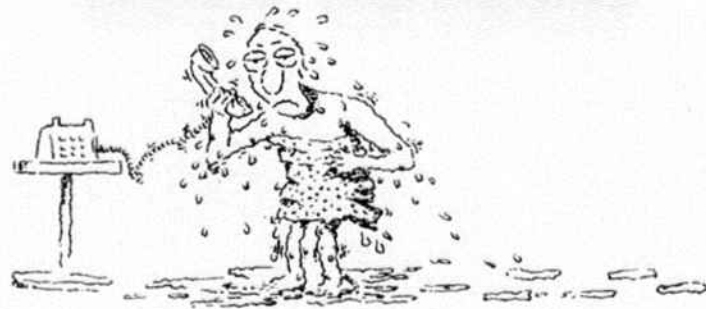

End the Pain of Redialing Busy Numbers

How many times have you dialed a number only to hear a "busy" signal? So you sit there and dial again. And again. And again.

With **REPEAT DIALING**, you simply dial a code and your phone dials the last number you called. If the line is busy, **REPEAT DIALING** continues to dial until it gets through, then lets you know it has.

With **REPEAT DIALING**, you don't have to sit by the phone to keep dialing. **REPEAT DIALING** does it for you.

CALL RETURN

End the Annoyance of Missed Phone Calls

How many times have you rushed to a ringing phone—dripping wet from the shower or with a path of groceries strewn behind you—only to hear dialtone?

With **CALL RETURN**, all you do is dial a code and your phone dials the number of the party who last called you. No more frantic rushes to answer the phone or wondering whether that missed call was the sweepstakes or Prince Charming.

End the annoyance of missed phone calls with **CALL RETURN**.
