**Supply PTA Seeks Hardback Books For School's Library**

Supply Elementary School PTA will hold a book drive May 5 and 6 in an effort to collect the 7,000 additional hardback books the school needs to meet regional accreditation standards this fall.

The school must have a minimum of 10 hardback books for each student on its membership rolls, said Susan Gibble, a member of the PTA's Library Committee.

Volunteers will be at the school next Thursday and Friday during school hours to receive donations of books and show visitors around the school. Other collection points will also be designated.

Books should be for students in pre-kindergarten through elementary

grades. While hardback books are needed, donations of paperbacks are also welcome.

Donors who cannot drop books off at Supply Elementary during school hours are asked to call the school at 754-7644 to make other arrangements.

As a new school, Supply Elementary is provisionally accredited by the Southern Association of Colleges and Schools. The school's first accreditation self-study report is due into the association this fall, with a site visit planned in Spring 1995.

The PTA wants the library books in hand as soon as possible and "absolutely must have them before the site visit," said Gibble.
