PROOF YOU'RE NOT POWERLESS TO CONTROL YOUR POWER BILL.

Not long ago, Mr. Ray Mager of Wilmington signed up for CP&L's Time-of-Use-Rates. "With a small adjustment in our daily routine," reports Mr. Mager, "we're saving about 20%." In Goldsboro, CP&L's Water Heater Rebates are working well for Mrs. Pam Farmer: "Anytime you can save money and there's no inconvenience, why not do it?" Meanwhile, in Louisburg, Mr. Joseph Tharrington used our 6% Loan Plan to better insulate his home. The improved energy efficiency not only saves him money. It also qualifies him for a monthly 5% discount from CP&L. Call for details. As these people prove, you can control your power bills. And the power company can help.
