THE ADVISORY BOARD

It is the sincere aim of this newspaper to conduct the election, from start to finish, in a fair, honorable and impartial manner. Every precaution has been taken to safeguard interests of participants and absolute honesty in all dealings is guaranteed. However, not all wisdom lies with any one man or institution, and for that reason, an Advisory Board has been decided upon, whose functions shall be to decide any question of sufficient moment that might happen to arise during the competition and from which a committee shall be selected to act as judges and count the votes the last night of the election, names to be announced later.
