

MCINTOSH NAMED TO HEAD N. C. WPA YOUTH PROGRAM

McIntosh Explains Youth Program To College Heads; North Carolina Youth to Benefit

C. E. MCINTOSH
N. C. WPA director of education and national youth administration.

Raleigh, N. C.—State Works Progress Administration Administrator, George W. Coan, Jr. has appointed Mr. C. E. McIntosh of Chapel Hill, State Director of Education. Mr. McIntosh also directs the National Youth Administration for North Carolina.

Mr. McIntosh is well known to North Carolinians as an educator and as a former assistant dean at the State University. He has devoted many years to the study of the problems of youth, particularly those dealing with education. He is well equipped in every way for this new work which is such a vital and important part of the Works Progress Administration program for North Carolina.

Last week upon his return from Washington, he called a meeting of University and College authorities in Greensboro. He told this meeting of his recent conference in Washington with the National Youth Administration leaders and of the stress President Roosevelt laid on the importance of Youth Training. Plans and purposes were explained in detail so that every one present might cooperate in offering the youth of this state the full benefits and opportunities of the program. He expressed the hope that the youth of North Carolina would take full advantage of every opportunity offered. All North Carolina Educational Institutions of college level operated on a non-profit basis may select 12 per cent of their 1934 enrollment to share in Federal Aid offered. No applicant will receive aid who is financially able to secure his or her education without help. Only those who would otherwise be unable to attend, will be helped. The amount of aid that may be secured is adjusted to the individual case. It is expected that the average monthly amount allowed will not exceed \$12.00 to \$15.00. A maximum monthly allowance slightly in excess of this amount is available in very extreme and deserving cases. The aid given students is not a loan but is a direct grant, and is made in return for specific duties to be outlined by the college authorities and performed by the student seeking aid. Mr. McIntosh called special attention to the fact that all students seeking aid should apply direct to the institution they elect to enter and not to his office. Only those students with good records and qualification will receive help, and they will be expected to maintain the high standard set heretofore by students

receiving Federal Aid. High School boys and girls are also offered assistance by this Administration. Children between sixteen and twenty-five years of age whose parents were on the May 1935 Relief Rolls are eligible for aid. Seven per cent of those enrolled who show promise and a desire to continue their education may receive Federal aid up to an amount not to exceed \$6.00 largely in teaching adults. Reading, writing, arithmetic and other studies would be taken up by these adult classes.

The importance of all educators, and other interested, acquainting themselves with the program was stressed. If the youth of North Carolina is to receive the full benefits of this great Works Progress Administration Program they must have full information and directions as to how to proceed in their efforts to secure aid. Mr. McIntosh pledged full and complete cooperation of himself and his staff in assisting the youth of North Carolina to secure this Federal aid in continuing and completing their education.

HOPEWELL NEWS

Mrs. J. W. Jackson and son, Wrightson, Jr., and G. W. Simpson have returned after spending some time with Mrs. G. W. Simpson, at Lexington.

Miss Maude Turner spent a few days recently with Miss Nelle Umphlett.

Mr. and Mrs. Henry Peele, of Elizabeth City, visited at the home of C. W. Umphlett Thursday evening.

Mr. and Mrs. Sam Sawyer and son, Libby, of Elizabeth City, visited Mr. and Mrs. J. E. Turner Sunday.

Mrs. H. J. Gregory and children, of Norfolk, Va., are visiting Mrs. L. R. Webb.

Mrs. Ida Perry, of Norfolk, Va., is visiting her brother, C. P. Banks.

Miss Maude Simpson has returned home after spending some time with her aunt, Mrs. Charlie Gray, in Suffolk, Va.

Mrs. Mattie Fentress, of Norfolk, Va.; Clyde Small, of Elizabeth City; Mr. and Mrs. Blakemore Small and J. G. Turner visited at the home of J. C. Small Sunday.

Gaston Small and family visited friends and relatives here Wednesday.

Mr. and Mrs. Wm. Umphries visited at the home of W. H. Overman at Winfall Sunday.

Miss Willie Hurdle has returned after visiting relatives in Norfolk, Virginia.

Miss Mazie Umphlett, of Raleigh, is visiting her parents, Mr. and Mrs. C. W. Umphlett.

Haywood Small and Charlie Stallings motored to Suffolk, Va., Thursday.

Robert Turner visited his parents, Mr. and Mrs. J. E. Turner, Sunday evening.

Timely Questions On Farm Answered

Question: How can I renew my old, run-down pasture?
Answer: All weeds and shrubbery should be cut out and the soil scratched to a depth of 2 or 3 inches. This may be done with a heavy spike-tooth harrow or with a disc set almost straight so as not to destroy the old sod. Fertilizer and seed are then sown. However, if the pasture is badly infested with obnoxious weeds it is advisable to break the land and grow some crop before re-seeding for pasture. Recommendations for fertilizer and seed mixtures for various soils are contained in Extension Circular No. 202 and copies may be obtained free upon application to Agricultural Editor, State College.

Question: Will burning off woods increase the flow of water in springs?
Answer: No. On the contrary this practice will decrease the spring flow. Percolation of water in the ground is a slow process and the more woods mold a forest accumulates the more water it can absorb and feed into the springs. Any fire destroys materials for making this woods mold and thereby lessens spring flow.

Cotton tax-exemption certificates will be available to all North Carolina growers in the near future. County agents will notify the growers when their certificates are ready.

North Carolina farmers are showing a great deal of interest in the soil erosion control program in connection with the CCC camps.

Interest in alfalfa growing is spreading among Stanly County farmers. Some are starting with small patches, while others are seeding 10 or more areas each.

PINEY WOODS

Miss Virginia Copeland has returned to her home in Rich Square, after spending the past week with Misses Cora Mae and Irene Chappell.

Misses Margaret and Nona Marie Raper are visiting their aunt, Mrs. W. D. Perry, at Bethel, this week.

Mr. and Mrs. N. W. Chappell and family, Mrs. J. R. Chappell, and Mrs. J. O. Chappell visited Mr. and Mrs. W. W. Chappell Thursday afternoon.

Mrs. R. D. Raper and granddaughter, Maude Lee, of Elizabeth City, returned home Sunday after spending last week with Mr. and Mrs. Caleb Raper.

Bradley Raper, of Weicksville, visited relatives here Saturday.

Miss Cassie Chappell spent the week-end with Miss Sybil Chappell.

Leroy Lane, who is in the C. C. Camp near Swan Quarter, spent the week-end with his grandmother, Mrs. Maggie Lowe.

Mrs. Alice Hunt, of Fountain City, and Miss Bertha V. Smith visited Mrs. E. N. Chappell Monday afternoon.

Mrs. Sam Brafford and children have returned to their home in Washington, D. C., after spending the summer with Mrs. Brafford's mother, Mrs. Mary Phthisic.

State-Carolina Game Scheduled Nov. 2nd

College Station, Raleigh,—Dr. R. R. Sermon, athletic director at State College, said today that the State-Carolina varsity football game would be played Saturday afternoon, November 2, as scheduled, or Saturday night.

State College officials hoped to have the game played at night that it might not conflict with the Duke-Tennessee game at Durham on the same afternoon. Attempts to have the game played Friday, November 1, were not successful. If the game is played at night it will be the first under lights for the Tar Heels.

State has two other night games on its schedule. They are with Davidson at Greensboro, September 28, and Wake Forest at Raleigh, October 12. The Wake Forest game originally was arranged for Friday afternoon, October 11.

You May Now Enjoy
MODERN WHITE LIGHT
from KEROSENE

With This Amazing NU-TYPE

Aladdin Mantle Lamp

Now Only \$4.95

10 Big Features
Lights Instantly, Burns common kerosene (coal oil). Burns 20 hours to the gal. More and better light than 19 ordinary lamps. Gives a white light, like sunlight. Safe. No odor, no smoke, noise or trouble. Simplicity itself.

Positive Relief for MALARIA!

Sure End to Chills and Fever!

Here's the real relief for Malaria—Grove's Tasteless Chill Tonic! Quickly it stops the chills and fever and restores your body to comfort. Many remedies will merely alleviate the symptoms of Malaria temporarily, but Grove's Tasteless Chill Tonic goes all the way and completely rids your system of the infection.

Grove's Tasteless Chill Tonic is a real corrective of Malaria because it contains two things: First, tasteless quinine which kills the Malarial infection in the blood. Second, tonic iron which helps overcome the ravages of the chills and fever and fortifies against further attack. Play safe! Take Grove's Tasteless Chill Tonic. It now comes in two sizes—50c and \$1. The \$1 size contains 2 1/2 times as much as the 50c size and gives you 25% more for your money. Get bottle today at any drug store.
