SPORTS TALK

By "White"

The Perquimans High School football team suffered its second defeat, this time at the hands of Lewiston High last Friday, on the local gridiron, to the tune of 19 to 0.

The first score of the game came in the first quarter when Lewiston pulled a double reverse that put them in scoring position, and then trotted across the goal line for the first score. The try for the extra point went to Lewiston because of interference with the receiver of a pass. There was no score in either the second or third quarter.

In the last period Lewiston completed a pass for the second tally and then intercepted a pass on a sleeper from Harris intended for Dimmette that went over for the third touchdown.

The Indians missed the services of Morris, the captain, and Barclift, in Friday's game. Morris, who does the punting, was replaced at the kicking position by Stokes, who plays tackle.

Beverly Blanchard, a newcomer to the local squad, who had only had a week's practice, played a bang up game against Lewiston, both offensive and defensive. More players like this and, Boy! what a team it would be!

Nice work, Beverly, keep it up.

The Perquimans team has a return game with Lewiston, on Friday of this week, at Lewiston. This will be the second game that the Indians will have played against the Lewiston eleven.

The team wishes to avenge their defeat suffered on Friday.

The next game the P. C. H. S. team plays is with Oceana next Friday, at Oceana, Va.

The team would like to take this game with Oceana, as Oceana defeated Woodrow Wilson High 6 to 0.

Jesse Lee Harris, quarterback, will not be playing Friday. It is possible that Nixon will move into the quarterback position left vacant by Harris. This is Nixon's first year as a regular, and he is doing good work in the back field.

In the game with Oceana Friday the lineup will probably be as follows: Brinn and Eure at ends; Morris and Stokes at tackles; Winslow and White at guard, and Tucker holding down the center position. In the back field Nixon, Blanchard, Campen and Jessup will probably be the starters. Barclift may be starting Friday if his ankle is okeh.

In this column last week the score

with Woodrow Wilson High was said to have been 37 to 0. This was an error. The score was 27 to 0.

The Indians have received some real scrimmaging this past week. They have been playing practice games with the locals. This should prove beneficial to the team when they buck up against Oceana.

The P. C. H. S. girls are practicing every day now for their coming basketball season. It looks as if the girls are determined to turn out another team as good as last year's. All the girls are very sure that the school will be proud of them.

Nancy Woods coached the team last year and is back at the coaching position this year. She is sure that she will have a winning team.

Who is your choice for next month's grid clash, the Duke Blue Devils or the Carolina Tar Heels? It should be a swell game.
