

Chevrolet Reduces De Luxe Models

Detroit, Nov. 1.—The Chevrolet Motor Company today announced that, effective with the introduction of its new passenger car models tomorrow, prices of three of its six Master de luxe models will be reduced below the levels of the 1935 prices, the other prices in this line remaining unchanged. Master de luxe models will be available with either conventional spring suspension or with knee action at slight additional cost.

Prices for the new Chevrolet Standard models, which introduce fine car completeness and luxury to the lowest-priced field, range from \$495 for the coupe to \$600 for the sport sedan. Chevrolet for the first time offers a sport sedan and a town

sedan in the Standard line. Like the Master de luxe Chevrolets, the new Standards have perfected hydraulic brakes and solid steel turret top Fisher bodies. They are of longer wheelbase than the 1935 Standard series, and there is a full line of models available.

Prices of the two lines are as follows:

Master de luxe—Coach, \$580; sedan, \$640; tow sedan, \$605; sport sedan, \$665; business coupe, \$560; sport coupe, \$590.

Standard—Coach, \$510; coupe, \$495; sedan, \$575; town sedan, \$535; sport sedan, \$600; sedan delivery, \$535.

Fifty-five pure bred Guernsey cattle were entered by 35 farmers in the recent Burke County Guernsey cattle show.

SPORTS TALK

By "White"

Rain took charge of the football game that was to have been played between the local Indians and Oceana last Friday. The game was called off Friday, because of the rain, so the boys will not play another game until Friday of this week.

Next Friday the local High football team meets Aulander in Aulander with their first grid encounter with this team this season.

The boys are anxious to take this game, so they can add one win to their schedule this season.

The Edenton Eleven defeated the Elizabeth City High team in a rainy and muddy clash, in Edenton, last

Friday, the score being 35 to 6. The game was played in a steady drizzle and was not entirely finished on account of darkness. Automobile lights were used to give a little light on the gridiron. Talk about last Friday. Boy! it was bad weather for football.

Edenton adds another win to their still undefeated schedule.

The girls have been practicing for the coming basketball team since September. They started playing class games this week. The seniors defeated the juniors 54 to 12.

Although the game was mighty one-sided, it certainly looks as if the girls are going to have a swell hard-wood team.

The next game will be between the freshmen and sophomores. This game will be played this week sometime.

Basketball fans will be glad to

learn that the girls have a game with Washington this year.

They were unable to obtain a game last year with this team. Coach Nancy Woods has two games with Washington in the 1936 schedule. One of the games will be played in Washington and the other will be played at the local court.

Those who saw Washington play Elizabeth City last year know that the Washington team is plenty hot. The girls want to take the two games and they want to take them bad.

Several plays are to be given this year for the benefit of the Athletic Association. The first, "The Taming of Tuffy," with Miss Nancy Woods coaching, will be given within the next few weeks. The play is a three act comedy.

The boys will begin their annual

basketball practice soon. They were hoping to be able to start practice this week, but were unable to obtain the auditorium for practice.

Quite a number expect to report when the first practice is called.

This year's team will miss Brinn, Byrum and Thompson from the hardwood lineup.

HALLOWE'EN PARTY ENJOYABLE AFFAIR

Mrs. Lloyd White and Mrs. C. T. White entertained at a Hallowe'en party on Friday evening at the home of Mrs. Robert Perry, of Woodville. Many interesting games were enjoyed. Delicious refreshments were served to about seventy-five guests.

More than 2,500 ears of corn were selected and entered at the recent Cleveland County fair by farmers of the county.
