

SPORTS TALK

By "White"

Last Friday night Hertford basketball fans saw one of the most spectacular games ever played on the local court. The P. C. H. S. girls' team tied the Washington sextette 14 all. The Washington girls would not play an extra period, so the score stood 14 to 4.

The girls were without the services of Newby, at forward. Everett shifted from guard to the forward position left vacant by Newby and played good basketball. Everett was high scorer for the Indian ladies.

The boy Indians took care of their game by defeating the Woodrow Wilson High, of Portsmouth, Va., 34 to 17. This game was fast and was a well-played game. Harris, for the Indians, took scoring honors, pushing up 13 points for the P. C. H. S. quint.

The P. C. H. S. team split a double header with Elizabeth City on Tuesday night on the local court.

The Indian girls defeated the Elizabeth City girls for the second time this year, the score being 62 to 30.

One of the outstanding features of the game was the scoring of Prue Newby. Newby went in in the third quarter and rolled up 26 points, missing only two shots. Some basketball playing!

The boys dropped the second half of the double header to the Yellow Jackets, 23-13.

Through the entire period the game was close and the boys gave the spectators a fast moving game. But the Indians were unable to stop the fast-moving Yellow Jackets.

The Perquimans girls seem to be a Jonah of the Washington girls. Washington had not been defeated or tied in five years until last Tuesday night, when the Indians tied them. The last time they were defeated, five years ago, the P. C. H. S. girls did it.

It looks bad for the Washington girls when they play their return game with Perquimans, with Newby back in the line-up.

CHAPANOKE NEWS

Mr. and Mrs. G. W. Alexander spent Monday afternoon in Hertford. After several days illness, little Jack Symons, son of Mr. and Mrs. John Symons, was able to return to school Thursday.

Miss Lessie Elliott is convalescent after several days' illness.

Those attending the show at the Carolina, Elizabeth City, on Wednesday were: Mrs. Eula Perry, Mrs. G. W. Alexander, Mrs. J. C. Wilson, Mrs. Tom White, of Woodville, Misses Cora Layden, Hazel Bright, Janet Quincy, Gerrie Griffin, Mr. and Mrs. C. P. Quincy.

Timely Questions On Farm Answered

Question: How should I select my eggs for hatching this winter?

Answer: Eggs for hatching should be clean, fresh, well-formed, of a color that conforms to the breed requirements, and should weigh 24 ounces to the dozen. Avoid all round, short, or thin shelled eggs as these eggs do not hatch well. Eggs for hatching should be collected two or three times a day in cold weather to prevent chilling. They should then be stored in a cool, dry place where the temperature does not fall below 40 degrees nor rise above 70 degrees. Where possible it is also well to select eggs from high producing birds as this characteristic is hereditary.

Question: What grain ration would you suggest for a weaning calf?

Answer: The amount of grain to feed will depend upon the condition of the calf. She should be kept in medium flesh and in a good growing condition. If grain has been fed prior to weaning then this will have to be increased to provide nutrients to take the place of those formerly furnished by the milk. However, heifers need little, if any grain during the winter if they receive an ample allowance of legume hay and silage. When silage is fed give the six-months old heifer only about six or seven pounds a day. Where grain is fed, use from three to five pounds a day. Where grain is fed, use from three to five pounds a day depending, of course, upon the condition of the animal.

Question: Is it possible to corn beef on the farm and how is it done?

Answer: Cut the beef into five or six pound chunks and rub with salt. Then pack in a clean vessel of hardwood or stone ware and cover with a pickle made of one and one half pounds of salt one ounce of salt-peter, one-quarter pound of sugar or syrup, and one gallon of pure water. The meat will be cured in about two weeks, after which it can be smoked lightly to improve the flavor. If allowed to stand for some time and dry out it is known as dried beef. The rounds are usually dried.

ENTERTAIN BOOK CLUB

Mrs. H. A. Whitley and Mrs. Trim Wilson were joint hostesses to the Book Club on Thursday afternoon at the home of Mrs. Wilson. Mrs. W. E. White and Miss Mary Sumner were in charge of the program. Dainty refreshments were served by the hostesses.

Nation's Boy Scouts To Mark End of Their Silver Jubilee Year

The ceremonies held by Scout Troops in all sections of the United States will bring to a close on February 7th the celebration of the 25th Anniversary of the establishment of the Boy Scout Movement in America. The year has been marked by great progress in the Scout Movement with a new high figure in membership with well over a million Scouts and leaders actively at the end of 1935.

One of the most important events scheduled as part of the Anniversary celebration is the National Jamboree which was to be held in Washington, D. C., August 21 to 30 last, but was cancelled by direction of President Roosevelt because of the prevalence of infantile paralysis around Washington, D. C. The Jamboree, however, will be held in 1937 and will carry on the Silver Jubilee celebration.

Friday, February 7th will be Troop Celebration Day when Scout Troops

throughout the nation will review the 25th birthday year.

Saturday, February 8th, will be spent by Scouts in outdoor and indoor celebrations with particular reference to the annual anniversary celebration for which this is the historic date. It was on February 8th, 1910, that the Boy Scouts of America was first incorporated in Washington, D. C. On the evening of February 8th, at 8:15 p. m., all Scouts and Scout leaders will re-affirm their Scout Oath. Scouts everywhere will recite together their Scout Oath and the 12 Scout Laws which are the foundation stones of the Scout Movement.

Churches of all religious bodies will celebrate Scout Sunday, February 9, when Troops will attend in a body Scout services either in the morning or evening. A large percentage of Scout Troops in the United States are sponsored and affiliated with church organizations in the three great branches of religious faiths, Protestant, Catholic and Jewish. In many Jewish synagogues there will be Scout services on Friday evening, February 7th.

Monday, February 10th, will find the Scout Anniversary being celebrated in public and private schools. There will be many Scout assembly programs on this day. The permission of school authorities will make it possible for Scout Uniforms to be worn by school pupils who are

Scouts, practically universally all over the United States. The school celebration is designed to focus attention upon the educational features of the Scout Program for both boys and in the form of leadership training for the more than 200,000 adults who are connected with the Boy Scout Movement.

One of the important celebrations of the week will be on Wednesday, February 12th. Where Lincoln's birthday is being celebrated the occasion will be coupled with the celebration of that event. On this occasion there will be dramatizations of the plans of the Scout Movement for contributing Scout trained citizens. This Scout 10-year program is such that by the end of a decade one boy in every four in the United States shall have had at least four years of Scout training.

RYLAND

Mrs. H. N. Ward and Mrs. Ella Mae Ward visited Mrs. W. E. Copeland Friday afternoon.

Willie Jesse Byrum, of Poughkeepsie, N. Y., spent the week-end with his parents, Mr. and Mrs. George Byrum.

Mrs. Harriett Parks spent Friday in Edenton with her daughter, Mrs. E. L. Hollowell.
