**ANNOUNCES \$25-A-MONTH TIME PAYMENTS AND A NEW UCC 6% FINANCE PLAN**  
  
Any New Ford V-8 Car  
Can Now Be Purchased for \$25 a Month with Usual Low Down-Payment  
THIS \$25-a-month time-payment plan enables you to buy a New Ford V-8 car through your Ford dealer on new low monthly terms.  
After the usual low down-payment is made, \$25 a month is all you have to pay for any type of new car, including insurance and financing.  
Your cost for this extension of credit is only 1/2 of 1% a month on your original unpaid balance and insurance.  
This plan reduces financing charges for twelve months to 6%. For example, if you owe a balance of \$400 for your car and insurance, you pay \$24 for the year of credit; if the balance is \$200 you pay \$12. Your credit cost for one year is the original unpaid balance multiplied by 6%.  
UCC plans provide you with insurance protection at regular conference rates. You have not only fire and theft insurance, but \$50 deductible collision, and protection against other accidental physical damage to your car.  
The Universal Credit Company has made these plans available through all Ford dealers in the United States.
