THIS WEEK'S BIBLE THOUGHT

HOLY CONFIDENCE: Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need.—Hebrews 4:16.

LET'S HONOR THEM!

Consider the girls' basketball team of the Perquimans High School. For two years the girls' team of the P. C. H. S. has not been defeated. They have come off victorious in four tournaments during that time. They have won numerous trophies, medals and special awards.

What shall be done to honor these girls and their coach, Miss Nancy Woods?

Some recognition should be made of their efforts.

The Hertford Rotary Club, which can generally be depended upon to do the right thing, gave a banquet in honor of the girls last year. The Rotarians have not had a meeting in Hertford this week and, so far as this newspaper knows, may have plans on foot for recognizing the girls this year.

Who has an idea of the appropriate manner in which to show these girls honor?

Somebody has suggested that a trophy case is needed at the school, so that the trophies may be displayed.

COLORED FOLKS ON THEIR JOB

The Perquimans Weekly wishes to call the attention of the public to a certain occurrence at the Hertford Colored School, which every thoughtful citizen should know about.

Sometime ago it was ascertained that funds might be secured through the Works Progress Administration for the purpose of painting the school building. The building has for a long time been badly in need of painting, both the inside and the outside.

The teachers and the patrons of the school became interested in the matter when there appeared a possibility of getting this improvement, and when it was announced recently that the work could be done, provided the County would bear their part of the expense, approximately \$56.00, these people didn't wait to see whether or not the County would make the appropriation, but went immediately to work to raise the fund, and this week it was learned that \$46.00 of this amount is already in hand.

It might be well to remember that this amount was no small sum to be raised by these people, many of whom are barely able to make a living. That they had the pride in their school to make sacrifices to secure this money to match the WPA appropriation is a matter in which every citizen of Hertford should take pride.

Don't forget the Dixie Blackbird Minstrels showing at the P. C. H. S. Friday night of this week. The show they gave last year was something well worth seeing.

The egg ad of Reed & Felton's had to be revised this week. Durwood Reed said a lot of folks saw the item in this column last week which mentioned that one member of the firm had said he supposed they would have to stop the ad because they were getting so many eggs, and they thought Reed & Felton didn't want any more.

Don't stop bringing 'em, folks. Reed & Felton say they can take care of all that come.

Hats off to the girls' basketball team of the Perquimans High School! It's a good thing that most of these girls are graduating this year, because this thing of winning tournaments had to stop somewhere. It was getting to be a habit with those girls.

The broad path shows ugly across the greening courthouse lawn. What a pity that no attention is paid to the sign "Keep Off The Grass" by those to whom it is a convenience to cut across.

True, it is a great convenience, but it doesn't seem exactly fair that for the convenience of a minority the beauty of the courthouse lawn should be spoiled.

SPORTS TALK

Well, the P. C. H. S. girls won the Rocky Mount Tournament again this year! How is this for a record?

The Lady Indians have not been defeated for the past two years. Last year they won the tournament played in Elizabeth City, and also the one played at Rocky Mount. Again this year they won the Gold Medal Tournament in Elizabeth City and then turned around and walked off with the Rocky Mount Tournament.

In the tournament last week-end in Rocky Mount the Lady Indians brought home almost all the honors. Prue Newby again starred, as she has all through the year. Prue was voted the next best player in the entire tournament. She was on the All Tournament Team, she received a medal for the most dead shot, and high scorer, and one for the most spectacular shot.

How is this for honors? And she had done this over in Elizabeth City.

Among the other honors captured by the girls at Rocky Mount were that Eula Nixon was voted the best player in the tournament, and was on the first tournament team.

Edith Everett and Mable Spivey won positions on the second all tournament team. Some honors for the girls.

The girls made a clean sweep of all their games.

Fine work, girls, and a great deal of credit goes to Miss Nancy Woods, Coach, whose untiring efforts helped put the girls on top.

One of the amusing things that happened in the tournament was when Prue Newby had to go to the middle of the gym so many times to receive medals and a kind gentleman secured a chair for her and suggested that she take a seat and not have to walk out so many times.

This is what the girls brought back in the way of awards from Rocky Mount: 1 trophy, 8 gold basketballs, manager's medal, best player medal, Eula Nixon; second best player medal, Prue Newby; high scorer medal for tournament, Prue Newby; high scorer medal, any game, Prue Newby; all tournament team medal, Prue Newby and Eula Nixon; second all tournament team medal, Edith Everett and Mable Spivey.

Graduation plays havoc with next year's basketball team. All the regular players, except one, sang their swan song to basketball Saturday night. Those who will graduate are: Edith Everett, captain; Mabel Spivey, steady-playing forward; Prue Newby, flashy sure shot little forward; Louise Delaney and Eula Nixon, hard fighting guards. This leaves only Hattie Pearl Nowell at center. She will be the only regular player who will be back next year.

Coach Nancy Woods called a meeting of all girls interested in basketball for next year, and you should have seen the response. It looks as though there is plenty of material for next year, and that with a little coaching there will be another championship team.

Will Rogers' Humorous Story

By WILL ROGERS

ONE reason why men have learned to not say nasty things to women is that they know a poor woman gets plenty nasty things

said to her by other women. Like this, for instance. Mrs. Sweeney says to Mrs. Green at the bridge party, "Say, that's a nice-looking gold bracelet you got there."

"Yes," says Mrs. Green, "ain't it nice? My husband give me that for my twenty-fourth birthday."

"My, my!" says Mrs. Sweeney, "I'd never of thought that gold would last so well, and it hardly shows any wear at all!"
