YOU know as soon as you take the wheel of a Ford that you've hit on something different. You're driving a car with a V-8 engine, and a chassis like no other in the world. You get an edge on city traffic. You cover the open road more easily. You hold the road on turns and bad going without having to poke along. You have power to spare on the hills. You actually cut your running time without boosting your top speed! Yet driving a Ford V-8 is delightfully easy. Riding comfort is like nothing you've ever experienced in a car so nimble. And you save money, every mile. Owners report gas mileage on a par with less powerful cars; and no extra oil needed between regular changes.

Terms as low as \$25 a month after down-payment, under new UCC 1/2% a month plans. \$510 and up, FOB Detroit.
