IN MEMORIAM

In loving memory of my dear sister, Virgie Irene Winslow, who died two months ago today. The stars are brightly shining upon a silent grave, And in it lies a precious one we loved, but could not save. Our dear sister is sleeping so free from all pain. Oh, wake her not, sweet spirit, to suffer again. She slumbers so soundly, oh let her sleep on, Her sickness is ended, her troubles are gone. She was so cheerful, with all her pain, And some day we will see her smiling face again.
—Her sister, Mrs. A. B. Parker.

The Record Of The Present Board Of Commissioners Of Perquimans County

If it merits approval, let's commend. What are the facts? When the present Board of Commissioners went into office about two years ago the County was in DEFAULT in a sum in excess of

Fifty-four Thousand Dollars.

Today the County has paid all of its past due indebtedness, has met all current bills, bonds and payments to the School Building Fund, all interest on its bonds, has reduced the indebtedness of the County over Sixty Thousand Dollars, has provided a Home Demonstration Agent to aid the ladies of the County, has purchased a lot for the Agricultural Building and has the money to pay its part of the cost of the building, and has money to meet its maturing obligations.

These results have been accomplished by rigid economy and good business judgment by a group of men who work for a pittance.

The voters of the County are urged to go to the polls on June 6th and give this body of men a vote of appreciation and confidence by re-electing them to office.
