Appropriation Calls for Ex-

penditure of \$600,000.

Washington .- During the fiscal y

beginning July 1, the treasury expects to print about 825 tons of currenty paper. Contracts for the year's supply of the distinctive paper used for print ed currency have been awarded. The

ed currency have been awarded. The current appropriation calls for the ex-panditure of about \$500,000. Under the terms of the contract, which will cover the full requirements of the treasury, the government will pay 87 cents a pound for paper that has a 176 per cent linen and a 25 per cent cotton content. Two years ago the contract price was 30.25 cents per pound.

Large annual replacements for the paper currency in circulation are nec-

essary. In recent years, paper cur-

rency has not worn out in circulation
