SCHOOLS HELP

Miss Hamrick Will Cooperate In Rural Sections

Mrs. C. F. Sumner, Jr., has been appointed Chairman of the Red Cross Roll Call for Perquimans County, with the following Hertford women as assistants: Mrs. C. P. Morris, Mrs. E. E. Payne, Mrs. T. J. Nixon, Jr., Mrs. V. N. Darden, Mrs. Charles E. Johnson, Mrs. Riddick Chappell and Mrs. W. T. Brown. with the following Hertford women

A hour to house sanvass will be made of the town by these women and every effort will be made to give every one an opportunity to contribute to the Red Cross.

So far as can be ascertained no definite quota has been set this year for the county, but as Perquimans fell far short of the amount allotted as its quota last fall, not having raised the full amount for several years, in fact, the workers expect to make every effort to go over the top this fall and collect such an amount as will be a credit to the county.

The people of Perquimans responded very generously to the emergency call made in the early fall for the special flood relief work of the Red Cross, and the sum of a hundred and fifty dollars was raised.

The districts outside of Hertford will be worked through the home demonstration clubs of the county, with Miss Gladys Hamrick, home demon-stration agent, cooperating.

The children of the various schools will also make their contribution to

ing the day before Thanksgiving. Half or all of the money raised by the Roll Call is retained in Perquimans County for local work, the other half being sent to the national headquarters of the American Red Cross, for use in relief work.
