M. E. Church Launches The Bishop's Crusade

The Methodist Episcopal Church, South, is launching now a two year enterprise of Missionary and spiritual nature, the Bishop's Crusade. This is divided into two sections, the first with primary stress upon missions, the second with emphasis upon spiritual life. In 1937 the Missionary Forward Movement will culminate on April 23-25 in a church-wide celebration of the 29th anniversary of the beginning of the foreign missionary work of the Methodist Church. In 1938 an Alderagate Commemoration will reaffirm the Methodist principle of religious experience. It will culminate at 8:45 P. M., May 24, 1938, in a world-wide celebration of the 200th anniversary of John Wesley's experience in Aldergate Street, of which he said, "I felt my heart strangely warmed," and which marks the beginning of the Methodist Church.

The Crusade comes to Goldsboro January 14. The speakers that day will be Bishop Arthur J. Moore, Bishop A. Frank Smith, Bishop Jno. M. Moore, Bishop Caesar Descorse, of Brazil, Mrs. J. W. Downs, and Dr. H. P. Meyers. Morning, afternoon and evening services will be held. It is hoped that many from this section will be able to attend this meeting.

Church Paper Reveals Perquimans History

The following paper, prepared by Mrs. C. W. Griffin and Mrs. Mattie Robbins, of Durants Neck, and read at a Zone Meeting of the Missionary Society held at Oak Grove Methodist Church some months ago, when a brief history of each M. E. Church in Perquimans was read, will be of interest to those who are interested in the early history of Perquimans.

Upon investigation we learn that Major Samuel Swan, who came to this county from Virginia, was instrumental in building upon the present site of New Hope Church in Perquimans County a house of worship which was called "Nags Head Chapel." This was an Episcopal Church. It was built of logs and was not completed until after the death of Major Swan, sometime between 1704 and 1707.

As late as 1765 this chapel was intact and was used as a house of worship. From the county records, we learn that in 1809 a deed for two acres of land with houses and all other appurtenances conveyed this Nags Head Chapel to John Russell, George Sutton, Joseph Sutton, Henry Raper and Samuel Whedbee, trustees, for the use of the ministers and members of the M. E. Church, for a consideration of ten dollars. This deed was given by John Sutton and wife, Martha Sutton and was not recorded until 1815.

On October 15, 1833, James Miller and his wife, Elizabeth, for the sum of thirty dollars, sold an additional tract of 5.2 acres to other trustees for the sole and exclusive use of the ministers and members of the M. E. Church. The names of these trustees are given in the deed.

A frame structure replaced the log building and changes have been made from time to time since. New Hope Church, formerly a part of the Pasquotank charge and the Virginia Conference, was added to the North Carolina conference about the year 1898.

Two, possibly three, parishes have gone out from this church, Rev. Walter Sawyer and Rev. C. D. Barlett, and possibly Rev. T. McN. Simpson.

RECORDER'S COURT

In Recorder's Court on Monday Linwood Ivey, formerly of New Hope Township, who deserted his wife and three children twelve years ago, was convicted of abandonment and non-support and was placed under a five-hundred-dollar bond to secure the payment to his wife for the next five years of twenty dollars per month.

James Adams, colored, was sentenced to the road for twelve months upon conviction of assault with a deadly weapon sentence to be suspended upon payment of the costs and a fifty dollar fine, and upon his non appearance in the Town of Hertford for twelve months.

Quinton Stallings, substitute driver of a school bus, charged with driving with insufficient brakes was found guilty but judgment was deferred in the case because of Judge Oakley's expressed reluctance to place the blame on the boy when he knew that the responsibility for the trouble was with others.

The case against T. S. McMullan, Jr., of Elizabeth City, charged with larceny, was continued until January 13, as there will be no Remond's Court next week because of Superior Court being in session.

McMullan, who was employed as a salesman for the Hollowell Chevrolet Company, is charged with the larceny of a truck owned by the Company. He was arrested on Monday night in Elizabeth City and brought to the Perquimans jail. He was released, however, on Tuesday, under

Put a McCormick-Deering Farmall on Your Farm

Above: The popular Farmall tractor, a McCormick-Deering tractor.

IF GETTING more work done—if more money in the bank appeals to you, take a tip from us and put a McCormick-Deering Farmall on your farm. It is the ideal power plant with which to farm. You can use its power through drawbar, belt, and power take-off. The Farmall plants up to 60 acres in a day with 4-row planter. In cultivating, with a 4-row outfit, it cleans 35 to 50 acres a day, and in later cultivating, 50 to 60 acres a day. Two-row work in proportion. It handles all haying jobs, cutting a 14-foot swath with 7-foot power-drive Farmall Mower and 7-foot trailer mower attached; also rakes, loaders, etc. Plows two furrows, pulls all need-bed implements, and operates grain and corn harvesting machines. You can see the Farmall on our floor. Inspect its features with us and find out how it is possible and practical to farm without horses when the Farmall is on the job.

If It Isn't a McCormick-Deering It Isn't a FARMALL.
