SPORTS TALK

By "WHITIE"

The Hertford Indians kept in the win column again last Friday night when they took their fifth straight win by defeating a scrappy Harrellsville quint in the recently completed gymnasium. The final whistle found the game 28 to 18 with the Indian warriors out in front. At the beginning of the third quarter the Harrellsville boys tied up the score, but the Indians hit their stride the last quarter running up ten points.

The lady Indians with a small lead at the end of the first half, were defeated in the second half by a hard driving and passing Harrellsville sextette.

The Hertford lassies played a very good game but were unable to check the girls from Harrellsville.

Monday night on the local hardwood the Indians took a track meet from Harrellsville by the one-sided score of 59 to 11.

The Indians had no trouble penetrating the Harrellsville defense and found the strings with great accuracy.

This was a very lop-sided affair but it showed the fans that the boys

have a team this year that is really going places.

The girls game with Harrellsville was a thriller. With the lady Indians in the lead at the beginning of the final quarter, the Harrellsville lassies with a burst of speed tied the score and the game ended with the score in a deadlock. Thus the lady Indians have their first tie of the season.

The Indians will leave today for Norfolk, where they will play Woodrow Wilson tonight. Saturday night the Indians will tangle with Oceana, returning Sunday from their tide-water trip to work into shape for the tournament.
