

Clubs Plan Study Patterns In April

The home demonstration clubs in Perquimans are planning to make a study of commercial patterns during the month of April, with the idea to help those who use commercial patterns, which is practically every woman who sews, to use the patterns with ease and to advantage. Other matters in connection with sewing will naturally come up for discussion when the women gather in the meetings, with Miss Gladys Hamrick, the visiting instructor, presiding.

The time and place of the meeting of each club has been announced as follows:
