## Birthday Party

The Student Council of the High School sponsored a birthday party for the students. Each person brought a penny for each year of his age.

The names of all girls taking part were written on slips of paper and placed in one box and the names of the boys in another. From each box was drawn a name. The boy and girl whose names were drawn received the cakes which had candles burning on them. Madge Long received the cake for the girls, and Mr. Bates, the one for the boys. All students who contributed to the birthday fund were given an hour off on Monday afternoon.

## HERTFORD DEFEATED BY WINDSOR 6-0

By BILL COX

The Perquimans Indians suffered their second defeat of the season. The Windsor Lions edged out by a 6-0 win.

The Perquimans boys put up a great fight, but could not hold back the Lions. The Lions scored on a long pass to Phelps from Joe Tucker. Tucker, you will remember, got his first football training at Perquimans High.

Mac White, Campen and Nixon brought the ball up to the one yard line on several good runs by each. There the Lions held them until the half.

The game was one of the roughest games that the Indians have engaged in this season. The boys were very sure of victory and suffered a great disappointment. The outstanding players of the game were: Fellds, White, Nixon and Campen; Windsor: Phelps and Tucker.

## Hertford Plays Ahoskie

The Perquimans football team will play host to a hardy band of grid-iron warriors from Ahoskie this Thursday afternoon at 2:30 o'clock.

The local team will be out to make it victory no. 4, after having been denied that opportunity in last week's heart-breaking loss to Windsor. The Perquimans Indians are determined to show the home-town folks another fine hand of never-say-die football this week and with this in mind they are hard at work preparing themselves for a real battle with Ahoskie.

The squad should be in tip-top shape for the first time since the Columbia game and will be ready to shoot the works in this their final game of the season.

This will probably be the last chance for the people in Hertford to see their football representatives play at home this year. The boys have worked hard and have produced a winning team for the first time in four years. The team will trot on the field this week in brand new helmets, pants and jerseys, which will add much to the color of the game.

The members of the football squad wish to thank all those who have so generously contributed toward their new suits.

## COMING! COMING!

The play, "Safety First," will be presented by the P. H. C. S. faculty on December 2nd.

In the play "Safety First," our popular Coach Bob Bates plays the part of Jack Montgomery, a young husband. Miss Wilson, who is coaching the play, certainly knew how to pick the cast.

Jerry Arnold, an unsuccessful fixer, is portrayed by Crayton Stephens. Imagine our principal, F. T. Johnson, as Mr. McNutt, a defective detective! He really will put Sherlock Holmes

in the shade. It is hard to believe, but R. S. Monds is playing the part of an awfully shrinking fellow—Elmer Flannel.

Abon—Ben Mocha, a Turk from Turkey, of course is played by G. C. Buck. (He knows all about turkey.)

Miss Elizabeth Knowles plays the part of Mabel Montgomery. (Jack's wife, pity her). Virginia Bridger, her younger sister, is played by Miss Relfe.

Can you imagine Miss Scott playing the part of their Mama, Mrs. Barrington Bridger? Mrs. Harrell knows all about turkeys, too, and plays the part of Zuleika, a "tender"

Turkish maiden. Mary Ann O'Finnerty, an Irish cook-lady "begorry," is played by Mrs. Holmes.

The title "Safety First" and we believe you will need safety pins to stick up your sides after splitting them laughing at this comedy.
