P. C. H. S. LIBRARY
The pupils of Perquimans High School seem to be very careless about returning books to the library. This negligence calls for fines, but these fines always come in handy in helping to buy new books. The total fines paid since the library opened in October is approximately \$15. Most of the fines were collected during the month of February. The room that paid the most was 10-A with 8-A coming close behind. Fourteen dollars of the money collected has been spent for new books and the balance used for library supplies.

The circulation of books from the library since October has been around 3,000. Two-thirds of the books were fiction, one-third non-fiction. The largest circulation was in the shortest month of the year, February.

Seventeen new books have been added to the library this year.

The new books are: "It's More Fun When You Know the Rules," by Pierce; "On Carlin's Gridiron," by Bavier; "Manners for Millions," by Hadda; "How to Find the Right Vocation," by Kitson; "The World Almanac," "Wild Flowers," by Homer; "Reptiles of the World," by Dittmars; "Birdcraft," by Wright; "Amusement in Mathematics," by Dudley; "Social Problems of the High School Boy," by Hudnall.

HELP KIDNEYS
To Get Rid of Acid and Poisonous Waste

Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress.

Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance.

You may suffer nagging backache, persistent headache, attacks of dizziness, getting up sick, swelling, itching, under the eyes—feel weak, nervous, all played out.

If such occur it is better to rely on a medicine that has won country-wide acclaim than on something less trustworthy known. Use Doan's Pills. A small box of Doan's Pills is recommended Doan's Pills are sold everywhere.
